**Run: 1545**

**Date: 8th January 2021**

**Hare: D Cell and Big Bang**

**Venue: The O marks the spOt, East Vic Park**

Dear RA,

It's time you confessed your sins, then maybe we will have some cooler weather,

Yours warmly

On Sec

We met where the O marks the spOt, and what better place to be when temperatures had reached 41 degrees earlier in the day, than where a big O emits a spray of light water as you wave your arms to try and dry the sweat. After helping Hash Splash with a paper and pen because he forgot to bring the cash tin, we received our instructions, well not everyone as Hopping Mad was racing to join us from somewhere in Maylands, and off we set at a slightly slower pace than normal.

D Cell chose a very picturesque spot to have a drink stop, with a lovely array of drinks to choose from, then it was a quick trot back to the O. Anybody would have thought we were at some photography seminar, as everyone took snaps of each other under the O.

GM called the circle under the circle and asked Wenchy to give a walkers report as she was the Only One who found the walkers deviation, she said it was a picturesque run and great drink stop. Then GM called On Meladjusted to do the run report as he missed the walkers deviation and did

the runners run, naturally he thought there was lack of chalk as he couldn't find enough to lead him on the right track, but it was very scenic.

Wenchy was first out of the starting gate when RA brought out his book of confessions, as she was the only one who found the walkers deviation, she arrived at the drink stop first and made sure all cocktails were up to scratch. RA then called Replicar in to give him some career advice, he felt that Reppy should consider a career change to sales, as he put in a good pitch to some locals to con a beer off them. Hogshit was the next up to the confession stand for forgetting the money tin, disgraceful!

Instead of self isolating Troppo decided to self confess and ordered himself up to the front, he confessed on behalf of Donald Trump. Shadow charged Rambling for tormenting her about forgetting her birthday cake, how could anyone forget Shadow, I mean Shadow's birthday cake! Shadow was on a roll and charged on sec for having toothache all week, and on sec had to stay kneeling as Hopping Mad charged her with the wrong directions on her phone, GM kindly reversed this as on sec accused Hopping Mad of having a phone made in China.

Tight Arse charged Rockbottom for the run date in 2010 in the last Rag, I should make those errors more often just to get hashers charged, and Tight Arse also charged Wenchy for new hash shoes which was really Wenchy wearing a thong on her foot instead of where she normally wears a thong.

RA took the opportunity to tell a joke about two boys at confession.

A few hashers were called up to get a life:

Rambling	860 runs
Animule	660 runs
Phantom	1310 runs
Megawatt	410 runs

General Business

Crankers run 6<sup>th</sup> February

Broome Red dress run 27<sup>th</sup> February

Poor Man's Nash Hash 19-21<sup>st</sup> March

Flyers attached with the rag

Back to less serious business, Horny Flasher and Meladjusted shared a joke with the circle, followed by GM, who did warn the circle that he was not a good joke teller, and he is a man of his word, his joke was funny but it was told very slooooooowly.

Then it was time for Tight Arse to pass on the dummy shorts:

Shifty called up as the shorts matched her top until GM presented the green shorts

Phantom called up for telling Tight Arse she liked his shorts

GPS called Hogshit up for the cardinal sin of forgetting the money tin

It was won by a nose by Hogshit, Phantom slunk off into the shadows wiping her brow, happy with second place.

GM was about to nominate someone to lead us into the Friday Hash song, when on sec decided to produce a late charge, GM broke the rules as on sec charged D Cell for setting the standards

tOO high fOr future runs, with the water laced O. PandemOnium brOke Out as several hasher raced fOrward to ask D Cell hOw wOuld she like their finger in her ear, a secOnd dOwn dOwn was rushed in as sO much beer went into D Cells ears.

GM restOred the quiet and Beau was called in tO end the circle with the weekly sOng.

**The Committee** decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, a **small number** of suitable plates and cutlery will be held by Splash for these circumstances.
