**Run: 1549**

**Date: 19<sup>th</sup> February 2021**

**Hare: Sybil**

**Venue: Matilda Bay**

Hash numbers were up on Friday with 38 hash starved human beings decked themselves out in their new beaut Friday Hash shirts, most hashers remembering where the usual Matilda Bay spot is that we converge on for Sybil's runs, yours truly pulled up a bit short on Hackett Drive and had difficulty figuring out where everyone was. Shadow the sheep was right behind me but drove on while On Sec was standing in the middle of the road trying to figure it out. Yes, On Sec duly received a charge for getting lost.

What an absolutely beautiful spot, even if the electrical box was felled by a falling branch and the Council shut the toilets down, they don't like people peeing in the dark. The view of the city is stunning from the shores of Crawley. That's why half of Perth was down there and our rondavel was stolen.

Off the merry troop went, and as Tight Arse's comment in the circle, we made our way through the Uni grounds by degrees and Hogshit was curious to know if we had learnt a lesson. Then it was up over hill and dale with some mighty fine homes to ogle at, then back down to the lovely Swan to enjoy a wee drop before completing the circuit.

GM called D Cell in to give a runners account and she must have thought she rowed some of the way as she said it was oarsome, and loved all the falsies, Butterbuns joined her and said she found the trail well marked, but disappointed that there were other social groups rowdier than us.

GM first called our hero in for a “dyb dyb dyb”-Bellboy had been on a scouting mission to find an open dunny, this was duly marked with chalk which confused Hogshit who earned himself a down down by following the dunny trail by mistake.

Beau was our solo zero hero this evening with 90 runs.

RA called Meladjusted in for some serious repentance cum last rites as he prepares to sacrifice his veins to mend his wayward heart.

Not to be outdone by our hero Bell Boy, Animule was called in for cumming to the aid of two distressed damsels, Wisecrack and Horny Flasher, who were concerned about a commotion near our base, and just as they thought things were going to cum to a nasty end in rode Animule on his trusty steed in his suit of armour and fought off the intruders and remained to hold the damsels hands. Well maybe it didn't quite happen like that, but Animule saved the day all the same.

On Sec is very humbled by her accolade for some eloquent writing in the virtuous Rag of the run that didn't happen. It must have been fairly convincing, as Replica sidled up to On Sec after the circle, how sneaky is that, trying to get away without being charged, he didn't say boo before the circle: he thought the Rag was real and wondered why he hadn't been invited, must have been a good whiskey he was drinking that night! He did mention that he thought we had a lot of visitors as he didn't recognise the names.

Birthdays-Slightly belated birthday wishes went to Mountain Hawk, who D Cell tried screwing to the spot as she put her birthday hat on, and our hare, Sybil, really excelled as fireworks went off in the background to accompany the Hashy Birthday song.

There was some great humour shared with the circle by Made Muffin and Meladjusted, and Big Bang shared a true story which didn't go on for hours, he got it out quite quickly, not sure if he was standing on an ant's nest as he kept moving from side to side!

General Business:

High Beam-stand-in Trail Mistress beseeched hares to cum forth as March 5<sup>th</sup> and 19<sup>th</sup> still waiting for a mighty hare. Whoredo came forth and claimed the 5<sup>th</sup>.

Slugger-passed on news of Mouth Organ whom we are all thinking of in her journey with her health GPS-reminded all of the Hills Hash 2001 run on the 28<sup>th</sup> February

D Cell-advised that there were new hats available and said she is also ordering new shorts to match our tops.

Time came for D Cell to hand over the dummy shorts, she called Beau in for wondering aloud on the run whether a 79er was better than a 69er. Dead Squid was nominated, wait for it, wait for it.....racing Animule to the drink stop. As loud as I yelled for Dead Squid to get the honours, Beau managed to pip him in the vocals and climbed into D Cells pants that she took off.

Wenchy has been a Friday hasher for some years now and had no trouble leading us in our Friday song. And we enjoyed a lovely meal and chinwag in a truly lovely spot

**The Committee** decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, a **small number** of suitable plates and cutlery will be held by Splash for these circumstances.
