Next week's run No Run Good Friday

Well here we are back again, am I getting excited about my last write up, you bet!!! Although a little behind. Family commitments interrupted my Monday plans as we had babysitting duties, B.Bang & Misnoner you have about 8 & 10 years to find out what that is all about. Good to see Mel Adjusted With Radar back in the fold. He can already manage a Km or so. Circle called after everyone had a little time to grab a drink & taste test tonight's "nibble" offerings. Or is that "Nipple" (Translation below in Dummy shorts) offerings that BBuns was distressed about not being able to retrieve from Horny Flashers car.

Sybil felt she is reporting more than usual, stating she is not cumming every night!! but was happy to tell us it was a nice run, well-marked, not too many hills and an extra point for the Bubbly Drink Stop. 9.9 D.D. G.M, time to call on some new faces.

Walkers report came from Shadow again. Fantastic, with heaps of Real Estate she can't afford. She was also silly enough to broadcast she had followed Animule to the White Picket Fence. A 9.9 also. D.D

G.M's accolades again this week for The Splash Fairies... Misnomer & Replicar, Sir Fumbles...Flash, Slugger...Cash, Cookie... On Sec, & Hoggy ... for driving so Slugger can have a drink.

Splash should be rewarded always for the job that no-one wants. All rewarded with a D.D.

Horny Flasher & White Pointer have graced us with their presence after short breaks. D.D's

High Beam has a friend!!! Suzette who joined us tonight. Kiss My Arse & De Nephew must like us coz they came again.

Sardar, G.P.S, & White Pointer had more interesting stuff to discuss than the R.A, it seems. D.D's. Gobstoppers are required to keep some mouths full I'm, thinking. R.A had a few heroes tonight. Slugger & Hogshit have their 500th each up, Shadow 560, High Beam 570. Shadow, Wisey, Rambling & Wenchy didn't hear a word of that as they were having their own little circle D.D's for all. White Pointer had a birthday drink for celebrating his b.day while he was absent.

The General had a few words to say. No Run Good Friday. Wenchy questions when FH3 might be doing a weekend away... in the pipeline...if not too cramped. Misnomer modelled the shirt which D Cell would like numbers for. No promises it will look the same on everybody and G.M said you should see it when it's NOT on !! He also thanked us all for cumming every night, to applause that most would like to.

Looks like we were fighting for the Dummy Shorts. Shadow had 3 nominations 1... Cookie for using the name Vanessa... whoever for. 2... Hopping Mad... for no idea about Nash Hash, Shes only been hashing for a while. 3...Butter Buns.. Couldn't get her "nipples" out of car. She was overheard & misheard as Horny Flasher was still out in the dark somewhere & B.B's Nibbles were still in the car. White Pointer, top marks for being brave enough to even ask "who is the G.M?" Shoot out ,sees them awarded to White Pointer, Of Course. Animule was quick to point out they should have gone to the person with the loveliest nipples

Tonight's jokers were Tightarse ,Cookie & Mel Adjusted.

A rousing version of the Friday song ended the evenings formalities. We finished with a lovely chicken curry & cupcakes
Thanks High Beam

The Committee decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, **a small number** of suitable plates and cutlery will be held by Splash for these circumstances.
