Run 1555

Date 19/3/2021

Hare Animule

Venue A.S Luketina Reserve Wembley Downs

**Next week's Run 1554 High Beam Jolimont Tce Car Park Off Jersey St**

Oh No, It's Monday again & I have to do "The Write up".

Animule called to tell us where to go, in the nicest possible way....We are used to that!

Runners head off over oval, walkers in opposite direction to cut them off at the pass.

Worked well as they caught us up & then found all the falsies.

It wasn't long before the walkers were heading towards home.

Some of us tried for an extra lap of the oval but it fell on deaf ears.

A "coldie" was what was on most minds & very quickly lips.

There was still at least 19 of us left in Perth, to run with the hounds ,for Animules jaunt around Wembley Downs.

All the rest were either not well or in Cervantes.

Our good wishes go to those who were Unwell !!!! & Misnomer visiting new Grandies. Twins.

Possibly the shortest run for the year, on one of the warmer nights.

He set the run in this mornings heat. What a guy, well set Animule.

G.M demands the attention of all, or few, for the circle.

Runners report from Wisey, (could have easily described this one as short & sweet) but "fantastic" was her word. 5 FT's up hill 11/10.. DD

Walkers report from Suka, who used it as a fact finding mission, looking for Real Estate in the area. Not sure what she found but a score of 10/10 may tell..DD

No G.M's prerogative accolade this week, just stated that all the important people were not here this week. BIG misnomer!!! and she's not even here.  
So over to Stand In R.A Tightarse.

It was commented that Tightarse was quieter than usual this week. Was he composing a song for the Greenies, all 4 of them, that made an effort for St Pat's? He was wearing orange, Hoggy was in a shirt from Abu Dhabi, can you get any further from St Pat?

It was Troppo that came up with "this is the biggest mix up that you have ever seen...tra la la Orange & the Green.... Suka said her underwear was green but we didn't go there. DD to the 4. Porno King struggled with his DD.

Tightarse used his newfound power to promote age & respect ??? & to celebrate his Granddaughters 11<sup>th</sup> birthday using Wisey as stand in granddaughter.. DD both.  
No Pulpit this week, & no Dummy Shorts.

Charges come from Wisey on Troppo for strutting his topless self through Wembley\_Downs..DD.  
G.M takes DD for aforementioned misnomer re all the important people..

Zero & other heroes Troppo 1310, Big Bang 151, Mountain Hawk 494, Slugger & Hoggy's nearly...499, High Beam 569er.. DD's to all.

Release the General, a reminder for shorts. D.Cell needs numbers 123 !! to get a good price.

Hoggy is needing a stand in Splash in the not too distant future. As you can imagine everyone rushed to his aid with offers of help.

No one going away but Sir Fumbles says we are all going somewhere.

G.M has another DD for becoming a Grandy to pidgeon pair of twins, Charlotte & Jensen.

Jokes from Mountain Hawk Troppo & Cookie. A couple of oldies but goodies.

Hats off, Slugger has a song for us.

All treated to Animule's signature Sausage sizzle with onions. Yummy.  
And an early night .

**The Committee** decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, a **small number** of suitable plates and cutlery will be held by Splash for these circumstances.
