Run 1552

Date 12/03/2021

Hare Wenchy

Venue Light St Rec Centre

Next week's run Run 1553 Animule A.S Luketina Reserve, Buntine Rd, Wembley Downs. UBD 246 L 14

A change of location for Wenchy's run. Back to Light St Rec where she held one ages ago but promised us not to be scaling barbed wire fences this time.

Her street was going to be overrun by revellers at a music fest.

But it was a nice change anyway. No Hills!!!

Weather was perfect for what was ahead for the 28 seasoned hashers that gathered at the fray.

GPS & Sir Fumbles trading the weekly gossip before we start.

Rambling & Slugger tasting "fingerlimes"

Hares instructions brief, all chalk. On your own, and she's off to bring food.

No Drink stop from this one (wo)man band, who had to work as well.

Food was home being cooked as we set off.

Walkers waited for our instructions as the runners headed West, hare passed us all as she went home to collect aforementioned food.

A confident run setter can leave the pack to their own devices & expect them to get back safely, Well done Wenchy.

A great walk in a familiar (for stand in On Sec, Cookie) territory, as I was able to drop in on an old neighbour and still find my way home, although not quite on trail. (But no confession about to be made). Even had a local lad escort on his motorised scooter.

All back safely with a drink under our belts & the G.M. calls "circle".

Sybil first up to give a runners report....wait for it.. Nice & sweet, short & sweet... end of report.DD
Walkers report Oops! no name but almost NO report either, Nice & sweet, think it was an echo. DD

G.M has his weekly accolade. This week its Hogshit, or Hoggy, for his efforts with the splash.
Well done Hoggy. DD

People can't resist coming back to join us. This time it was Mountain Hawk & Porno King was with us again.

The only visitor on, 2 legs, was Gemma ...with a "G" ,who plays with Bell Boy's Bells or was that plays bells with Bell boy!! Then there was Ronnie, the dog, who was left in the capable hands of Cowpat & Blowfly by some trusting neighbours. DD's

Now to the confessional pulpit, which seems to be back in one piece. Tightarse confessed, but not from said pulpit he had a monkey neck this morning. Translation: Stiff neck . He'll have to find out what caused it. Could be valuable reusable information !! DD

Troppo followed, from pulpit, too many shortcuts. Was that just him or the hare. He also confessed he was NOT responsible for GPS falling out of bed. Not sure where that came from!! DD

GPS's confession, only involved coveting someone's unknown wife. Whether that resulted in fall at 3.00am from bed still remains a mystery. It was suggested that it was Dummy shorts he was coveting so he had to Kiss the R.A's ring. On his finger !! DD

Dummy shorts not here this week.

Only charges came from Rambling on Beau for showering in the drinking fountain. He's not too heavy so he could have safely sat in it without doing too much damage & GPS for gossiping about falling out of bed DD

A few special runs this week our illustrious GM Big Bang has reached 150, Tightarse 470, Sir Fumbles 770 & Animule has the devils number 666. DD's Turdy is a bookend on 1441.

Better late than never DD for the hare who was absent at start of circle. No score was given this week in her initial absence.

Bring out the general (business that is) Just some info on Haberdash from D Cell. Watch this space. Sombre moment transmitting good vibes to Mel Adjusted who Slugger has advised he is doing well already having physio & on his feet.

Fast forward to Saturday Slugger & Hoggy & Sir Fumbles & Cookie paid him a visit to find out he is doing really well & looking forward to coming home Wed 17th.

Circle disrupted & dog blamed for GPS or is that GAS coming from his (GPS)direction
Hare needed for April 16th Porno King volunteered.

Cookie given an accolade for taking on On Sec's job in her absence.

No promises of the On Secs quality of write ups.

Receding Hareline

Run 1554 High Beam Jolimont
Run 1555

Run 1556
Run 1557

*Please notify Trailmistress, Suka ASAP with the details of your run

The Committee decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, a **small number** of suitable plates and cutlery will be held by Splash for these circumstances.
