Hare: Phantom

Venue: Alexander Heights

Holy guacamole, there must have been nothing on in Perth tonight, that brought 40 Friday hashers to the suburb of Alexander Heights; I don't know what Tight Arse had been smoking but he thought Alexander Heights sounded like some soap opera, our very own Days of our Lives. Our stand in GM, called our hare, Phantom, in to point us in the right direction.

After returning and chomping on some lovely snacks, our stand in GM, Radar, called us into the circle, which was really an oval; RA had provided us with some lovely walking weather but as the night progressed the cold crept in a bit, and the close proximity of warm bodies was much appreciated. And what lovely drooling reports we got from Wenchy and Meladjusted about the run/walk, no hills, well-marked, the drool just running down their chins, albeit Meladjusted had been peeing in the pot and his points were for the anticipated food as well.

RTT dragged himself away from the riveting Friday night television and joined us after a long break, and we had a few visitors join us: Dynamo, Hardcase, Disgraceful and our FH3 virgin Jam Jars.

RA called our zero heroes in to the circle: Slugger 520 runs, White Pointer 390 and Ballwrinkle 180

RA charged a few hashers for bringing their work issues along to Friday Hash, Cowpat, our PR officer, selling our cause to unsuspecting locals, Meladjusted also doing some sales talk, trying to sell his blow job machine, no he wasn't talking about Radar!! Maid Muffin must have had a hard day at the office she got out of her car and started kicking around little gas cylinders, p...ed off that the locals had beaten her to them. RA called for confessions and up jumped Troppo, owning up to Ballajura being a rough area, but he didn't help Phantom set the run, shame on you, Troppo, he also owned up to having forgotten to add ginger beer to the splash last week, must have made a huge impact as nobody noticed. And then Ballwrinkle came under fire from both sides, Blow Fly charging him for bragging about his 3 metre erection, which evoked many comments about what you

can do on a 'deck' then GM stepped in and charged him for calling her short arse, there's only one arse at Friday and he's tight not short!

It was an absolute barrage of charges coming through tonight, On Sec battling to keep up with them all, Shadow charged Maid Muffin for her self-naming number plates, what "no f in muffin!" RA charged D Cell for dodgy sales work, selling stuff she didn't have, Dead Squid charged Tight Arse for not wearing the dummy shorts on the run, Meladjusted charged Replicar for leaving his nuts at home, then yes we are coming to the end, Shadow charged Sybil for wearing her Melbourne scarf, this was reversed, however Shadow must have caught the wax ears off Dead Squid she thought she could have a joint DD with Sybil. Then up stepped Buttered Buns with an accolade for herself who is the only Friday hasher present who is going on the game tomorrow, rub it in BB.

Tight Arse had managed to get the dummy shorts on for the circle, and he nominated Dead Squid for honeymooning without his wife, Dead Squid tried to tell his story about his honeymoon, lalalalalala, noooo too much information. Tight Arse also nominated Buttered Buns, something about her being able to wear the dummy shorts to the Grand Final, but the circle decided on a carry over for Tight Arse for not wearing them on the run and for disappearing into the throngs when he was supposed to be in the circle.

Then it was time for some more laughs, Maid Muffin starting off with a batty story, then RTT took us back to kindergarten with a Johnny joke, followed by Troppo who told us another story about Johnny this time at Sunday school.

General Business

High Beam called on a volunteer for a run minus a hare in October, the circle took one step back and left Rowdy Rabbit looking as if he'd volunteered.

Close To Your Heart Run- being run by West Coast on Tues 28/9 at 6.30 at Britannia Reserve, Britannia Road, Mount Hawthorn, bring your own everything-there are no more details to come. Hamersley will have their drink van there.

Shadow then was called to centre stage and lead us into the Friday song; Phantom despite her concerns about enough food, produced a lovely meal for the masses, thank you.
