Date: 1st October 2021

Hare: Sir Fumbles

Venue: Calista

25 eager hashers made it to Kwinana for Sir Fumbles run. The threatening clouds gathered above but luckily the RA did a great job and kept us dry.

The Esteemed GM called Phanton for a runners report and High Beam to speak for the walkers. They agreed that the run was well chalked with enough checks to keep the pack together and gave it a 9.5 rating.

The RA charged Replicar with weaving from one side of the road to the other. He claimed he was deaf in one ear and couldn't hear out of the other!

Sadar was charged with running all over Kwinana instead of following the trail. Was he blind? Shadow and Shifty were charged with being late. Their excuse was that they only wanted to go to the toilet. The GM charged himself with not being able to open the childproof gate locks. Accolades to the RA for controlling the weather and to the GM for leaving his indicator on for Meladjusted to follow him around the next two corners. Inspector Gadget was charged with being out stripped by all the high tech gadgets in the park around him.

AGPU is on 26th November with a 1950's theme. Who can remember back that far!! It is being held in the guide hall off Beatrice Street in Doubleview.

The Hare Raiser is asking for people to put their names on the list for November because we have no hares. Please let Suka know ASAP

The GM thanked Hogshit for his excellent job with drinks this year. Hogshit is concerned that the cash box is short of money after the runs. Please pay for your drinks or put in an IOU so that the till balances.

Jokers were Whoreda Cookie and Inspector Gadget.

AGPU flyer attached separately.
