Run: 1601

Hare: Maid Muffin

Date: 18th March 2022

Venue: Carlisle

As Monty Python once said, And now for something completely different... This **Hash Rag** comes to you from your **On Sec, Inspector Gadget**. However, I wasn't at the run last Friday as set by **Maid Muffin** (assisted by **D Cell**). I was at a family dinner for my visiting daughter who had finally managed to get into Fortress WA from Melbourne after two years of trying. Instead, I sent in a super spy come sleuth **Buttered Buns!!** She recorded all of your carry ons and misdemeanours. So here goes...

I have it on very good authority that there were **37** of you there at **Carlisle** for the **Maid Muffin** extravaganza. Plus, I've since seen the photographs from **Sir Fumbles** as posted on **FaceBook** and we all know that a photograph is worth a thousand words. I trust that you have all ticked the **Like** box at **Friday Hash** on **FaceBook** and each week take a look at his wonderful photos of you all. Which reminds me to remind all of you, that our website www.fridayhash.com is up and running as looked after by **Blowfly**. So log on and take a look when you've got a spare 5 minutes.

First and most importantly I'm pleased to tell you all that **Animule DIDN'T** get lost this week... We didn't have to call the Police and their tracker dogs have gone back to the kennels. However, this was primarily due to his not having attended the run this week... Come back **Animule**, we forgive you...

Runners Report – **Spackle** thought that it was a lovely run with no hills

Walkers Report – **Slugger** loved the walk, especially the **Drink Stop** with the serving of Bailey’s Irish Cream. Ahhhh The Irish...

Visitors – Just the one, **Sam Bag**, brought along by **GPS**

LTNS – **Rock Bottom**. Always good to welcome back lost friends

On to the Circle and **GM** wasn’t slow to get the first charge in. She called in **White Pointer** for a serious indiscretion, he was being lazy by trying to carry two eskies on top of each other whilst on the trolley, dropping them TWICE...

Tigtarse and **Hogshit** both got a **Down Down**. But I don’t know why, no that that matters, they probably just looked guilty, which would be enough. Drink em down you Zulu Warriors.

Spackle wanted to charge **Animule** for last weeks 1600th run debacle, but his crystal ball was working and he had stayed away.

Rock Bottom got charged for leaving her husband at home watching war movies. **Troppo** was charged because there is a new TV series named after him. I hope that he is getting royalties... **Sam Bag** was charged for thinking that he wanted to throw up on the run. We all know that technicolour yawns should be shared with your friends in the circle. **Blow Fly** got nailed for choosing to cross the road at a bus stop and the bus driver stopped thinking that he was a passenger (frigging brilliant - LOL).

Spackle; Slugger & Troppo got **Down Downs** from the 1600th due to having cocktail drinks named after them. That’s class...

The **Naughty Mat** wasn’t forgotten with **Phantom; Sybil & Snapper** being told to take a seat for non-stop talking in the circle.

There were no **Zero Hero’s** this week.

Birthdays consisted of **White Pointer** who has finally made it to 77 years. **GPS** wanted to nominate the Sydney Harbour Bridge that turned 90 this week. Let’s wait 10 years **GPS** and then you can bring in the cake for its 100th.

Jokers consisted of **Rockbottom, Troppo & Mountain Hawk**.

Dummy Shorts were awarded to **White Pointer** for dropping the eskies and the beer.

All complaints should be sent on a post card to my ex-wife, she is really good at telling you where to go and what to do when you get there in three different languages... Oh Happy Days...
