Run: 1605

Hare: Sybil

Date: 22nd April 2022

Venue: 3 Kings Park Ave. Crawley

Our **Religious Advisor RA White Pointer**, who communicates with the Supreme Hash Master above, was tested on this hash. **TightArse** wanted to know why last Easter Friday, when we didn't have a hash run, it was known as Good Friday. "Does that mean that when we do have a run on a Friday it will be known as Bad Friday?" **RA White Pointer** struggled for a time with this one, raising his face to the sky seeking answers from above. Finally he lowered his face and in a quiet voice, spoke.

"In the beginning was the Word, and the Word was Hash, and the Word was Good."

So spoke **White Pointer**, our Religious Advisor, meaning all Friday Hash Runs are Good. And it was Good. A run in the King's Park was Good. A Champagne Drink Stop was Good. A balmy evening was Good. The On In, at a private setting with lights, tables and chairs, was Good. The Circle was loud and boisterous, which was Good. The food was hot, plentiful and tasty, which was Good. We were blessed! AND ... IT ... WAS ... GOOD.

We were also blessed by our Religious Advisor White Pointer, who we follow in more ways than one. Not only does he have a direct line to the Supreme Hash Master who guides him, but he also gives us a direct line to follow on the Hash. Just in case you haven't noticed, we follow his white pointers chalked on the ground every Friday. Hallelujah White Pointer! (OK White Pointer you owe me after this write up).

BUT!!! Here comes the spoiler.

A precedent was set for the wearing of the Dummy Shorts! Having been awarded the Dummy Shorts the accused must wear them. Where to wear? On the run and in the circle. To carry them

means a Carry Over. So beware and wear! Will the next accused use the **Sardar Defence** when charged? Will the family of CarDarHashians, (RepliCar; SuCar; RaDar; SarDar), drop the shorts in protest? Will no one ever wear the Dummy Shorts again? We wait and see. **Ball Wrinkle** did the honourable thing and stepped into the Dummy Shorts. Was this a cover up? Wear or beware!

Moving on!

There were 25 of us. I sometimes think a small number is more enjoyable than say 40 of us. More intimate. More friendly! More food! The Circle was more controlled. With less numbers no one was hiding in the background. All could be seen and heard – especially **Hopping Mad** who can be heard even over **Shadow's** laugh. **Hop Mad** was sat on the Sorry Mat whilst **Shadow** was called in as a LTNS, or in her case a LTNHeard.

OK let's get to the statistics: **On Sec. Inspector Gadget** was insistent that I follow his format. (How many noticed that **Inspector Gadget** was not there and someone else was taking notes? We are difficult to tell apart).

Run Report: 7Kms, partially through bush marked by ribbons. Not quite *festooned with ribbons*, since the runners got lost for a while. *Festooned with ribbons!* Probably the first time that expression has been used in a hasheet.

Troppo gave it a Great Run thanks in part to the Champagne.

High Beam called it a Dark Run? With a high beam how is that possible?

This was an Animule Run according to **TightArse** since he got lost without a phone.

Visitors & LTNS: Shadow; Big Bang; Misnomer; Buttered Buns; Phantom. All travellers thanks to borders opening.

Charges & Accolades:

From the RA: Hopping Mad = Being lucky?

On **Mouth Organ** for getting into the rubbish bin.

On **Buttered Buns** charged with Immigration Scams.

On **Animule** for being himself.

On **Shadow** for doing nothing so deserved a charge

On **Horny Flasher** for being too happy.

Ball Wrinkle on **Hogshit** not calling on trail.

Everyone on **Mountain Hawk** for calling Lewis instead of Inspector Gadget.

Sybil on **Slugger** with a ping pong charge? I don't know either.

Mouth Organ on **Shadow** getting her knickers in a twist – or in this case not knowing her M's from her W's.

(To avoid any confusion the last two charges were made by females).

Zero Heroes: Mountain Hawk = 530; Hogshit = 550; Mouth Organ 190; HardCase & Dynamo unlucky for some = 13.

Birthdays: Her Majesty The Queen

General Business: Weekend Away in **York**, 23rd July: Need Nos. by next Friday. \$160 a double room and \$100 a single.

Jokers:

Horny Flasher read her big arse joke.

Mountain Hawk told of an old lady one a motorised wheel chair.

Troppo did something in his living room

Dummy Shorts: Ball Wrinkle (read page 1)

Next Week's Run: 1606 29th April: Cowpat. 15 Barclay Avenue, Padbury.

Song: F. R. I. D. A. Y. Friday hash is here.

Under Other Business.

Empty beer bottles and tinnies have a new home. It's called the **Big Green Bag**. Look for it at the end of the circle each week. It's not hard and the money goes to a good cause – US!!!

Quote of the Week: Charlie Chan is a different man since he backed into an electric fan.

Disclaimer – Being innocent is no excuse. Never let the truth get in the way of a good story, even if it was a lie to begin with. All complaints should be sent on a post card to my ex-wife, she is really good at telling you where to go and what to do when you get there in three different languages... Oh Happy Days...
