**Run: 1604**

**Hare: Horney Flasher & Buttered Buns**

**Date: 8<sup>th</sup> April 2022**

**Venue: Applecross**

This is your **On Sec Inspector Gadget** who after today will be on vacation travelling to Adelaide for a few weeks and handing over the scribes duties to the one and only **Tightarse**. I'll be back (said in an Austrian accent) on Friday 6<sup>th</sup> May and whilst I've still got your attention, with next Friday being *Easter Friday 15<sup>th</sup> April*, there won't be a **FH3 Run**, so have a lazy weekend.

Now, I'm typing this weeks **Rag** to you on Sunday morning and anyone who has Castrol R running thru their veins will know that today is the Melbourne Formula One Grand Prix coming to you live on Channel 10, so just to prove you ladies wrong, us men can multitask... But should I suddenly start typing words like Ferrari or McLaren, you'll understand.

Back to Friday's **Run #1604** at Applecross with **Horney Flasher** and **Buttered Buns**. Once again your **RA** has done his magic and kept the storm clouds away and whilst it threatened us a few times, we had a dry run and circle, well done **White Mercedes**. We recorded **32 Hashers** at the gate and as **D Liva Rants** (our **GM** aka General Motors) gathered us together to get the run/track directions from **BB**. It was a case of let the runners take off first on the chalk and the walkers were held back for a few minutes at the pits as we were given the short circuit instructions. And off we went at a gentle amble. There was a **Drink (Pit) Stop** towards the end of the track where the runners and walkers gathered together for a quick fuel stop.

Back at base we were provided with a great spread of snacks complete with left over mini chocolate Easter Eggs from the Pit Stop. Thank you to all the providers who each week put on a

wonderful spread of finger food just prior to getting the Circle started. To anyone who has yet to help out with this, there are no hard and fast rules, just bring something along to share with your fellow Hashers. Thank you.

**The Circle** was attempted outside, but there was a threat of precipitation, so we moved back into the garage. The **GM** got things started by inviting **Ballwrinkle** to give us a walkers report who kept things short sharp and simple with the four words – Best Run All Year... This was followed by the Runners report from **Cow Pat** who took a leaf from **Ballwrinkle** and said that the run was The Best Run in Three Weeks. On in the Hares **Horney Flasher** and **Buttered Buns** for a well deserved **Down Down**.

We had no visitors and three **LTNS's** came in for a **DD**. On in **Franger, Cow Pat & Blowfly**

Then the **GM** called in a **Special Zero Hero** with an attempted bugle call as we honoured **Cookie** acknowledging her **1200 Runs**. It's always quite something when a fellow Hasher achieves such a magic number of runs. She was invited to bring in 12 other Hash Mates to share her Down Down achievement and there was no shortage of people wanting to be part of her celebration. Well Done **Cookie**.

The **GM** called in **Sardar** for a **DD** for his Bugle Blowing failure and **Hogshit** was placed on the **Naughty Mat** for his indiscretions. Then the **RA (White Pointer)** came in to start his long list of charges. First in was **Ballwrinkle** who managed to screw some drive directions and ended up in Bunbury! Next in was **Mountain Hawk** for having more money than sense and spending \$600 to be told that she was empty hearted (there was clearly a medical twist to this as I know that she has a good heart – scribe). Next was **Blowfly** for being caught wearing full PPE - Looking like the Lone Stranger (or was that the Strange Loner??). Quickly on his heels was **Buttered Buns** who got hauled in for not wanting give any hugs last week and on Friday she was everyone's... Next in was **Tigtarse** for cancelling a motorbike trip, but then Tigtarse reckoned that we should respect his age and that only someone older than him could give him a DD. He was quickly reminded by the **GM** that she can give anyone a down down, including him... Then it was **Sluggers** turn to come into the circle after being linked to the Archer Fish who catches Blowflies by spitting at them.

The **GM** took over for a while calling in **Sardar** and **Cow Pat** for talking in the circle and placed them both on the **Naughty Mat** to consider their sins as the floor was opened up for any other charges. **Meladjusted** kicked off by calling in **Slugger** over a bottle opener and needing to toughen up. Then he called in **Hogshit** and **Inspector Gadget** as we had parked close the entrance of the driveway cramping his trailer reversing skills. **GPS** called in **Franger** claiming he was a disappointment for walking past a car calling it names (!!). And the last charge belonged to **Tigtarse** who called in **Mountain Hawk** for breaking his heart (refer to earlier comments re Mountain Hawk).

We had a couple of other **Zero Hero's** as we called in **Scrotus Maximus** – 180 runs and **Rowdy Rabbit** - 30 runs. Well done gentlemen, though you've got a long way to go before you catch up with **Cookie**...

**Birthdays** - None to report

**Jokers** – Three of the ladies came in to give us three amusing jokes lead by Mountain Hawk with a tale of an Irish driver. Then Horney Flasher told us about her boyfriends car. Finally Cookie told us about a Mother Superior who was using her skirt to great effect in Ukraine.

**Dummy Shorts** - **Sardar** was the current holder and the following new potential recipients were nominated, **Snappa; Ballwrinkle & Tightarse**. The usual round of verbal voting saw an overwhelming shout for **Sardar** to keep them.

Food for the day was a wonderful spread of chicken pieces with potatoes and veggies. Thank you ladies for the well-received spread.

**NEXT WEEKS Run 1605**      **22<sup>nd</sup> April**      **Sybil - 3 Kings Park Ave., Crawley**

On the medical front we heard that **Ballwrinkle** and **Mouth Organ's** five year old granddaughter has been diagnosed with leukemia. Again please keep her in your thoughts and prayers.

The **GM D Liva Rants** has announced that the **FH3 Weekend Away** will be on the 23-24<sup>th</sup> July. More details to be announced in the near future, so for now please ink this into your diaries to attend and join in for a great Hash Getaway.

**Quote of the Week:** I rode the bike to the pub today. Had a few too many and so I took the bus home. That may not seem like a big deal to you, but I've never driven a bus before
