Run: 1610

Hare: Cookie

Date: 27th May 2022

Venue: Martin

And what a turn out we had. A grand total of **46 Friday Hashers** came out to play and enjoy **Cookie's birthday special run**. A combination of good clear weather and the promise of a fun evening with some home cooking had worked its magic. And we were not disappointed.

Cookie had some help with laying the run that resulted in three (yes, three) trail options. **Cookie**, **Hogshit** and **Sir Fumbles** all got involved with a short walk and a slightly longer walk, plus a runners trail out there to be enjoyed. And at seven o'clock **D Liva Rants** gathered a noisy pack together to send them on their way. The **Drink Stop** was back at **Cookie's** place with bubbly laid on for everyone's enjoyment.

(I will take this opportunity to remind our fellow Hashers to please remember to bring some nibbles to put out for everyone's enjoyment for the post run pre-circle enjoyment, thank you)

A rather raucous ensemble took a few minutes to get under control as our **GM** called for the circle to be formed. **D Liva Rants** was without her usual thrown to stand on which took her to new heights standing on one of Cookies chairs, leaving her Crown tilted forward to miss the ceiling... Eventually some semblance of order was achieved and the GM started by giving **Slugger** a **Down Down** for there being a drink shortage or did someone get short changed with the bubbly?? Another **DD** was awarded early to **Megawatt & Sybil** for having sex in the circle. Obviously, the **GM** had an advantage over everyone else with her exalted position standing on the chair. I sure missed

that display of rare X Rated pornography in the circle. Did anyone catch the moment on their cameras video stream? It was clearly over and done in a matter of seconds...

Shifty was called in to give her thoughts on the Walkers run (a contradiction of terms if ever there was one). She said that she just followed **Sir Fumbles** (which meant that she didn't get to see very much at all) and she thought that it was a nice walk. **Beau** was asked to give a runners perspective on the evenings outing and he thought there weren't enough checks and said that he wanted to do it again! Needless to say we encouraged him to head on out, but he declined, no doubt rethinking his thoughts on that one...

There was a long list of **visitors** and **LTNS**. The focus was put on the **LTNS** as the **RA (White Pointer)** took over and first in was **Dead Squid** and his new bride **Michelle**. They had just flown in from Sydney and she must've been wondering what this was all about, but word was that she has signed on for more runs with us whilst here. Next week will tell. Other **LTNS** were **Lofty & Yo; Maid Muffin; Small Goods; Nice Tits; Hopping Mad & Meladjusted**.

(Another reminder to everyone, could you please remember to sign in to the Big Red Book. Radar and I always have this difference of opinion as to who is in attendance and who is not. It's not hard, just sign the bloody book... Thank you...)

The **RA** then started dishing out **Down Downs** to such a degree that **GPS** was struggling to keep the cups filled up (come back **Rowdy Rabbit**, all is forgiven, the job site doesn't need you as much as the **FH3**), which leads me to ask where was **Bell Boy**? First in was **Hogshit & Sir Fumbles** over their mixed-up walkers runs (walks) leading to two possible trails? Next was **Maid Muffin** and the wonderful story of her name on the **Hills Hash – Furry Fanny**. Must've been true as she was looking most embarrassed... **Meladjusted** was next in for having a long one (!) Must ask **Radar** what that was all about... Then **Mountain Hawk** was asked to explain her thoughts of **Hogshit** with claims of being revered. This circle was getting weirder by the minute. **Bell Boy** was called in over his previous weeks screw up with the **Dummy Shorts**, which he thankfully remembered to wear on the run this week. On in **Beau** over something to do with peaking (I told you that the circle was getting weird). On In **Cookie** who was missed for a DD earlier for having two assistant hares.

The **GM** got back in on the act calling in **White Pointer** for having a 100% success rate with the weather control as our **RA** but failing to get his hat on right each week. I've got a staple gun that could fix that little problem... (does anyone remember that scene from the film **Weekend at Bernies?**)

Then the circle was opened up to **Charges** and first in was **Dead Squid** who called in **Tight Arse** over money in the car, but he reversed the charge saying that Michelle chose Dead Squid as a hubby... **Yo** called in **Cookie** as it was her birthday and was serving up a cheesecake that was made a while ago but not eaten, so it was frozen for another occasion which turned out to be Friday nights Hash Run. I had some and I'm still here, so it was okay in my books. The **GM** called in **Shadow; Hogshit & Nice Tits** for sitting down in the circle.

The **GM** then recognised **Cookie** for it being her *birthday*. Happy Birthday Cookie and many more to follow.

This week's **Zero Heros** were aplenty. **Gadget** called in the following awardees **Troppo** (1360); **Dead Squid** (650); **Slugger** (550); **Radar** (440) and **Buttered Buns** (270). With the special award of a **FH3 Drinking Mug** going to **Replicar** for achieving his **1200th Run**. Congratulations to all on your achievements with more to come. On On...

The weeks **Jokers** were **Rock Bottom; Tight Arse & Cookie**

Dummy Shorts – Bell Boy finally got to hand them over after some spirited voting between **Troppo; GPS; Megawatt; Yo** and **Shifty**; The final vote went to **Shifty** who noted that she would first have to repair them as a certain previous wearer had left them looking decidedly 2nd hand (or third foot...).

The circle was closed with the **Hash Hymn** being led by **Troppo & Dead Squid**

The evenings meal was a compilation of curry dishes well prepared by **Cookie** the birthday girl along with a birthday cake and cheesecake. Thank you Cookie.

NEXT WEEKS Run 1611

3rd June

**Sheep Shunter – Success Hill Res., Bassendean
(just off Seventh Avenue)**

Under Other Business.

I need to ask for **Hares** to **volunteer** for July onwards and also for anyone prepared to volunteer for **scribe duties** as I will be heading off for six weeks to the UK. You will be able to send the pre-prepared rag sheet to **D Liva Rants** and she will spread the sheet, it's really not difficult and you get to embarrass your fellow Hashers by writing about them... So please step forward and put your hand up... Thank you in advance.

Our **GM, D Liva Rants** has made it official that the Friday Hash run fees will go up to \$4/run effective as from **Run #1615 1st July 2022**. No annual fees and visitors will pay the same price.

Empty beer bottles and tinnies have a new home. It's called the **Big Green Bag**. Look for it at the end of the circle each week. It's not hard and the money goes to a good cause – US!!!

To those of you who are on **Facebook**, do please look up **Friday Hash** and tick **LIKE** so that you will get the weekly spread of **Hash Photo's** from **Sir Fumbles** where you can again tick **like** and add your comments to the photos. **PLUS** you'll get a weekly reminder of where the coming run is taking place (thanks to **D Cell**). Or you can go to the **FH3** website as listed at the top of the page.

Quote of the Week: It's weird being the same age as old people...
