Run: 1611

Hare: Sheep Shunter

Date: 3rd June 2022

Venue: Bassendean

Pre-run amble – It was a clear night with lower temperatures which probably contributed to a lower than last weeks mega turnout with a number of **25** hardy souls coming out to play this Friday. The run site was a good location, well lit with operational toilets and a good carpark next to the park run site, though the sign next where I was parked was a little disconcerting as it read, Warning: Venturing off designated path is at your own Risk! Unstable cliffs. Uneven ground. Slippery a eas (that's what it said...). The hare **Sheep Shunter** pointed the runners one way and the walkers out in the opposite direction explaining that both trails criss-crossed each other. And with that the **GM** sent us on our way.

Runners Report – **Hogshit** said it was a Bloody Good Run awarding it 10/10 saying that it had overs and unders. **Replicar** stuck his oar in saying that it should be scored 9.9999. Then it was mentioned that the Runners missed the **Drink Stop** as the hare pulled out after the Walkers passed thru and it had been an hour already.

Walkers Report – **Crusher** said that she couldn't see much... Not sure what she meant by that??

In general the run was well received and most of the Walkers did find the **Drink Stop** to share in the port and lemonade. Back at the run site it was 8pm and the runners were still out leaving Sheep Shunter a little concerned that they might be lost. So he took off in his car to go look for them whilst the others nibbled at the finger food on the table. Turned out that they weren't lost, it was just a bit longer run than usual and they missed out on the Drink Stop...

Visitors & LTNS – GPS & Hopping Mad tried to find any without success. Zero recorded

Circle Charges & Accolades – D Liva Rants called on the **RA White Pointer** to get straight into his Charges calling **GPS** into the circle as a knight in shining armour for saving **Radar** and **Replicar** for finding a lost **Wenchy**. Well done lads and your prize is a **Down Down** (what else?). The **RA** called in any Hammersley Hashers as potential Covid spreaders after their Saturday night Bash proved to be a potential spreader. **Sybil** was called in for smiling and declaring that we were having dogs for dinner (not true, it was a wonderful chook cooked Thai style). Then it was the turn of **Sir Fumbles**, **Sheep Shunter** and **Gadget** to come in for a DD, why? I cant recall and cant read my notes! **Sheep Shunter** got called in for laying arrows everywhere... Then he was immediately brought back in (again) for another **DD** for telling the **GM** at the **Drink Stop** that she doesn't need any more lollies...

The floor was opened up for other charges with **Hogshit** trying to call in **Sheep Shunter** (boy was he popular that night) for looking at his wife, but this got reversed much to the dismay of **Slugger**. Then the **GM** called in **Hopping Mad** for cleaning up the circle.

This weeks **Zero Heros**: First in was a belated presentation to **Light My Fire** of her **200th Drinking Mug**. Then it was on in **Crusher** – 520 runs followed by **Sir Fumbles** - 820 runs. Well done all.

Birthdays – None this week

The weeks **Jokers** were **Rock Bottom; Wenchy & Gadget**. Mostly with stories about the Oirish

Dummy Shorts – Still with Shifty – No change till she brings them back.

The circle was closed with the **Hash Hymn** being led by **Shadow**

The evenings meal was a wonderfully tasty Thai chicken curry dish followed by sticky rice pudding all put on by **Light My Fire**

NEXT WEEKS Run 1612

10th June

GPS – 15 Conigrave Place, Canning Vale

Under Other Business.

Volunteer Hares are needed for 8th July onwards. Please see **High Beam** with your details

A reminder to those intending to go to the **York weekend special run** in July to get your money into **Radar**. Remember, bullshit walks, money talks. So if you've said that you're thinking of going, or said put me down as going, if the money isn't in, you're not in...

Replicar advised that there is a Palace Run this coming Tuesday 7th June at 6:30pm starting from Franklin's Tavern, 948 Albany Hwy., East Victoria Park. Buy your own grog at the tavern though beer will be provided for Down Downs by H4. Food is a chicken curry @ \$11/person and best you advise Hammersley Hash that you will be attending so that you're included in the meal order.

It was pointed out after the circle closed that we had overlooked commenting on the Queen's 70th Platinum Jubilee and it was mentioned by the **GM** that no one had noticed her **new shoes** from three weeks ago!! If anyone is game to bring this up in the circle as a potential DD, please be my guest as I won't be here...

Empty beer bottles and tinnies have a new home. It's called the [Big Green Bag](#). Look for it at the end of the circle each week. It's not hard and the money goes to a good cause – US!!!

To those of you who are on [Facebook](#), do please look up [Friday Hash](#) and tick **LIKE** so that you will get the weekly spread of **Hash Photo's** from **Sir Fumbles** where you can again tick **like** and add your comments to the photos. **PLUS** you'll get a weekly reminder of where the coming run is taking place (thanks to **D Cell**). Or you can go to the **FH3** website as listed at the top of the page.
