Run: 1629

Hare: Small Goods

Date: 7th October 2022

Venue: South Guildford

It was always going to be a busy event with a joint run involving **Rocky City H3**. And we were not disappointed with some **45 Hashers** turning out at **Small Goods** place. The Run Directions were given out in the middle of the road (after a few cars passed by) as we were pointed up to the top of the road. A split **Walkers & Runners Run** were set up with a fair bit of greenery covered as we skirted along newly trimmed or trampled grass/weeds. Whilst out on the run, **D Liva Rants** was startled by the sound of a train horn somewhere close by. Not aware that there were some tracks in the area, maybe she thought that the Hash Horn had a new implement. A well-stocked **Drink Stop** was organised by **RCH3** (Thank You), And yes, it was once again a dry run (as in no rain), just for the record. And still our regular **RA, White Pointer** was nowhere to be seen, as still **MIA**... How long can we enjoy these dry Friday's?

The **Walkers** got back just after 8pm and the **Runners** were about 15 minutes behind for a nicely planned couple of trails. The Circle was at the bottom of the garden and **D Liva Rants** was soon calling for the Circle to form and for the multitude of private circles to shut the F UP. The **Runners Report** was given by **Wacuda** who thought that the run was excellent though not enough hills...giving it a run rating of 9.95 The **Walkers Report** was given by **Tite Ring (RCH3)** who simply said that it was Alright with a similar run rating. Oh, and **Wacuda** enjoyed the **Drink Stop**.

This week we had a lot of **Visitors** by virtue of the **Rocky City H3** visiting and joining in on the **FH3 Run** and three **LTNS's**. On in **Wacuda, Small Goods & Nice Tits** from **FH3**. For the **Down Downs**, **RCH3** was represented by their **GM Tampon, Koowala & Black U**.

The stand-in **RA** for this week was **GPS** complete with him wearing his Dummy Shorts, looking very colourful. But before allowing **GPS** to come to grips with his role for the night, he had to have a **Down Down** for having called the **GM darling** whilst out on the run. Where will this go? Watch this space for next weeks instalment in *The Young & The Restless*... The first people called in by **GPS** was **Ballwrinkle** and **Roxby** for having crashed whilst out on the run. I was in full view of **Ballwrinkle** as we queued up at a fence pass that had everyone backed up. He simply decided to avoid the queue and go straight down a small embankment. Which was fine but for one small point, the fence!! Thankfully it was a loose straight wire fence and not a taught barbed wire one. Had we been given score cards, I would've scored him with an 8 for execution and 6 for degree of difficulty... I think he needs to make an appointment with *SpecSavers*... I didn't get to see how **Roxby** achieved her *faux pas*, but she did end up with a brown nose... I hope it was a soft landing and neither were badly injured.

The **GM** had her **Naughty Mat** out and I was rather surprised that it didn't get more use, though **Tite Ring** of **RCH3** did get to check it out for size. **GPS** next called in **Small Goods** for having had a road crossing sign clearly displayed just after the **Drink Stop** that asked motorists to beware of the **Wildlife Crossing**... Next in for a **Down Down** was **Fluffa** (another **RCH3** visitor) who was late arriving as she was confused by our start time of 7pm and something about a pub being open...

The Circle was opened for **Charges** and first in with a charge was **Maladjusted** charging **Fluffa** (again) & **Boogie** for having sex in the Circle and I'm guessing for not inviting Meladjusted to join in?? **Megawatt** called in **Troppo** & **Replicar** for showering together whilst out on the run. Their excuse was something about lawn sprinklers... Piss poor excuse I'd say... Did anyone see what they did with the soap?? **Sybil** got called in for falsely declaring that it was **Dosh's** birthday. I was disappointed as this meant that there wouldn't be a birthday cake...

Rocky City H3 had a quick presentation in an award to acknowledge 15 years of Hashing and having achieved a total of 150 runs. And the award went to **Nice Tits**...

Zero Hero's – Just the one this week and a very important one at that, on in **D Liva Rants** our most worthy **GM**. She received a **200 Run Mug**. Congratulations and **On On D Liva Rants**.

Birthdays – Nada, zilch, zippo (still). Well, it is what it is.

The weeks **Jokers** were that dynamic duo of **Cookie** & **Troppo** with a batch of one liner's and I thought that he said that he had something funny to say... Thankfully **Cookie** hit us with a cracker of a joke about a Life Saver.

The **Dummy Shorts** started off by being worn by **GPS**. When the **GM** asked for nominations, **GPS** put his hand up as a self-nomination saying that no one else was dumb enough to want them. But then **Ballwrinkle** got nominated for his high wire act. The crowd were unanimous, and it was a quick transfer of the **Dummy Shorts** between the two tall men.

The circle was closed by not one but two **Hash Hymns**, first it was the **RCH3** to show us how they did it and then **Spackle** led the rest of us in the **FH3 Hymn**.

The Meal for the night was cooked and served by **Small Goods** with an excellent pot of Chili Con Carne with rice and garlic bread followed by an ice cream cone, We were being spoiled and loved it. Thank you
