Run: 1630

Hare: Ballwrinkle

Date: 14th October 2022

Venue: Kinross

Here we are again, another wonderful Friday evening in sunny Perth and its time to hit the trail again and go find where the **Friday Hash House Harriers** is taking us all to tonight. And last Friday it was north of the border (well almost) to Kinross, to a place where **Ballwrinkle** and **Mouth Organ** hang out. And those who could afford the time and fuel, were soon hanging out with them. All **37** of us and not one passport in sight.

D Liva Rants called 'Form a Circle' so that **Ballwrinkle** could tell us all about the run and point us in the right direction. Maybe I heard it wrong, but I thought that there was going to be a Walkers Trail and a Runners Trail. But as the little hand reached seven and the big hand struck twelve, we were off and running. Well, some of us were running and the rest of us were walking at various levels of urgency. People were all over the place as we soon realised that there was only one run and there were lots a False Trails and Check Arounds. One minute I was a tail end Charlie and the next minute I was leading the Walkers with **Shifty** and we found ourselves sniffing out the real trail from the false trails. The good news was that we eventually sorted out where to go and found the **Drink Stop**.

Back at Falkland Park the runners were already back and discovering that the toilet block had self-locked with the men picking on suitably sized trees and the ladies keeping their legs crossed and hoping for the best. It wasn't long before our **GM** was calling once more 'Form a Circle'. The Naughty Mat was out as **Beau** was called to give a Runners Report. He thought it was a lovely run

and commented that **Sardar** had found the false trails. But as the walkers found out, **Sardar** didn't have any chalk to remark the trail. Note to runners for next week, please carry chalk with you... For the Walkers, **D Liva Rants** called in **Buttered Buns** for her report. **BB** thought it was a good walk but would've preferred that the trail was re-chalked. I second that thought...

There was quite a few **LTNS's** this week consisting of **Wet Dreams, Beau, Cow Pat, Ten Per Cent** and **Hard One**. **Wet Dreams** also brought along two new virgin visitors, **Robyn & Chris**. More on the visitors later.

The stand-in **RA** for this week was **Megawatt**. Your **On Sec** was in deep kimchi this week for forgetting to bring the **Big Red Book**. It's a nice new book that he had all set up with page one ready for recording the nights attendees. The only problem was that he left it behind, dumb koff (or words to that effect). But he shouldn't feel half bad though as only half of you **Hashers** bother to fill in the Big Red Book each week anyway. But nevertheless, the **GM** sat him on the Naughty Mat to take his **DD**. Thankfully **Meladjusted** gave him a helping hand up off from the floor, or he would've been down there for a while...

Megawatt called in **Replicar** who before the Run started got confused as to which car was his and tried to climb into the **RA's** car... That deserved a **DD**. Then our stand-in **RA** called in **Tightarse** and **Bell Boy** who were charged with being Midnight Cowboys (if you get my drift). Then we discovered that **Troppo** likes beards which led to **Tightarse** explaining his beard and that of **Sardars**, which didn't help him and a Down Down was awarded to him. **Replicar** was back in trouble for crashing a party without beer. Then **Sardar** was in trouble for inciting racing between **Sybil** and **Tightarse**.

Charges were then invited with **Meladjusted** claiming that **Ten Per Cent** and **Hard One** were caught not using their real (Hash) names. This was followed by **Sardar** and the two new virgin runners (**Robyn & Chris**) being placed on the Naughty Mat for talking. Then the **GM** called in **Hard One** for trying to con the **GM** into letting her sit down when only **Ten Per Cent** had been given approval. Charges and Down Downs were flying fast and furious with **Replicar** calling in **Troppo** for needing two car park spaces. **GPS** called in **Meladjusted** for not opening up the beer trailer and hiding behind the toilets with **Meladjusted** claiming that **Mouth Organ** distracted him... I could barely keep up with it all. Last in was **Shifty, Buttered Buns** and **Bell Boy** for talking.

Zero Hero's – Dunno, ask Gadget, no **Big Red Book**... See next week's edition of the Rag.

Birthdays – Don't ask....

The weeks **Jokers** were once again **Cookie & Troppo** plus a golden oldie from **Inspector Gadget**.

The **Dummy Shorts** turned up on **Ballwrinkle**, but departed on **Inspector Gadget** for you know what. **GPS & Replicar** were nominated, but didn't have a look in.

The circle was closed by **Mountain Hawk** with the **Hash Hymn**.

The Meal for the night was served up by **Mouth Organ & Ballwinkle** which included a very tasty soup, followed by several home cooked pies served with ice cream and whipped cream. Thank you both very much for a great meal.
