Run: 1633

Hare: Megawatt

Date: 4th November 2022

Venue: Crawley

The prior day was a very warm start to Spring, unfortunately the weatherman was only good enough for giving us that one day. **Friday** went to back to normal, that is to say **cool**, but it was dry (Thank You **White Pointer**) which the **25** attending **Hashers** enjoyed.

Megawatt soon had us heading out with the hope of a **Drink Stop** towards the finish. But first we had to get there. On out and into Kings Park zig zagging along the way with the Runners and Walkers being given separate trails. And the good news was that there was a **Drink Stop** that was well stocked with various options and of course, a bowl of lollies.

As usual, our **GM D Liva Rants** called for the circle to gather around poolside at the **Megawatt** High Rise. **Beau** was invited to give a Runners report claiming that it was a bloody good run with lots of twists and turn and scoring it with a 11/10 (yes, he reckoned it deserved a 11). On behalf of the Walkers Ballwrinkle was asked for his input. He reckoned that his route took him via The Children's Hospital which was to later bite him on the bum. He scored the run 10/10 saying that it was well marked.

LTNS's for this week were; **Horney Flasher; D Cell; Beau; Zippity & Blew-He**. On in all for a deserved Down Down. No visitors this week.

The **stand-in RA** for this week was **Troppo** seeing as **Megawatt** was otherwise busy. But **Megawatt** had been very thoughtful giving **Troppo** his **Little Red Book** for making notes about who had been

naughty or nice. Claims and counter claims were flying fast & furious with a claim that the Walkers were dull & boring. It was claimed that Troppo had lost the trail, but he claimed that he wasn't lost, merely stuck and trapped in a block of flats. Work that one out if you can...

Charges followed with **Meladjusted** claiming that **Animule** had been caught short cutting as he crashed through the undergrowth, but as I was there, I can confirm the accusation. And for some reason **Tightarse** had been looking after **Wenchy**. Where was **Mountain Hawk** whilst all this was going on?? **Shadow** was called in for a Down Down due to her claiming a chair at the Drink Stop but not being of any help. Then the **charges** started going left, right & centre. On In **Replicar, Beau, Horney Flasher, Pickled Piper, Mountain Hawk**. It was thought **Beau** kept spotting the Walkers, when in fact it was a group of uni-students.

Then **Tightarse** came into the circle to tell us all about his bedtime revelations with a story about **D Cell** and **D Liva Rants** being sisters and born on the anniversary of the D Day landings. But he was having trouble reading his notes as he had forgotten his glasses. On in **Cookie** to lend **Tightarse** her binoculars. Then an ex-hashers name came into the story – **Double D**. Now it's at this point that I should tell you that **Tightarse** later gave me his script which I think he was expecting me to type verbatim. No Chance **Tightarse**. He rambles on about lots of words that all start with the letter **D**.

Zero Hero's – Just the one this week, our very own **Troppo** sitting on **1380** runs. Great number!!

Birthdays – Just the one, **Megawatt**. Now it's at this point that **Sybil** asked for help as she led two others into the toilets where she took great risk to light the candles on the birthday cake for **Megawatt**, who was invited to blow them out (the candles – silly). Nice cake though...

The weeks **Jokers** were **Horney Flasher; Cookie & Troppo**. Needless to say, **Troppo** treated us to his now famous one liners.

The **Dummy Shorts** were up for grabs as **Mental Disorder** has taken off for parts overseas and handed them in for safe keeping. The nominees were **Slugger; Troppo** (self-nominated); **Ballwrinkle** and **Meladjusted**. The voting went to **Meladjusted** for trying to get at the **GM...**

The **Meal** for the night was a Mexican served up by **Sybil**, thank you.

The Circle was closed by **Wenchy** leading us all in the **FH3 Hash Hymn**.

Empty beer bottles and tinnies have a new home. It's called the **Big Green Bag**. Look for it at the end of the circle each week. It's not hard and the money goes to a good cause – US!!!

Disclaimer – Being innocent is no excuse. Never let the truth get in the way of a good story, even if it was a lie to begin with. All complaints should be sent on a post card to my ex-wife, she is really good at telling you where to go and what to do when you get there in three different languages... Oh Happy Days...
