**Hare: Bag Lady**

**Date: 9<sup>th</sup> December 2022**

**Venue" Ascot**

When our On Sec, **Mouth Organ** texted me to ask about our health I thought, "*How, sweet, how nice. She really cares*". She doesn't, though. She just wanted to make sure we were fit enough to go to the Hash and provide a fill-in scribe. Just another of life's disappointments.

Anyway, here we are, bringing you all the news and reviews of **Bag Lady's** first attempt as a hare for **Friday Hash**. Having been absent for a couple of weeks, smoothing the fevered brow of a COVID-stricken spouse, it was a pleasant surprise for me to see that we were getting back to normal numbers, with **34 Hashers** in attendance, some raring to go and others declaring themselves convalescent and content to sit and guard the trailer.

Off we set, hearts in mouths at the prospect of running the trail of a virgin hare. Unlike the deflowering of most virgins, however, this one had a trusted friend to hold her hand through the puffing and panting. **Cookie**, experienced in many fields, and various other places, I've no doubt, overlooked proceedings. Along the river, across the road and past some magnificent mansions on the way home, it was fairly easy to find the farrows, which were few and far between in parts but huge, like the mansions. Why do people need such big houses?

Back at base, our nibblings, mutterings and musings were suddenly disrupted by the ear-splitting honk of a bullhorn. Our new **GM** was making his presence known. In he strutted, resplendent in his Roman Centurion garb, complete with body armour and headgear. Not wishing to hide his light under a bushel, he quickly ascended the steps to the balcony and called for his scribe to attend him.

Cowed by the splendour and magnificence of the occasion, said scribe took up a lowly position beneath him until **D Cell** pointed out the big spider that had sat down beside her, so I did a Miss Muffet and scarpered up the stairs.

**Ex GM Deliverance** anointed the new **GM, Inspector Gadget** and the circle was under way.

**LTNS:** Shadow, Rubber Ducky, White Pointer, Quokka, Shifty, Light My Fire, Sheep Shunter, Franger, Dynamo, Hard Case, Tightarse, Mountain Hawk, Rambling Rod

**RUN REPORT:** So coy and uncertain was our virgin hare, **Bag Lady** that she disappeared and left **Cookie** to face the assembled throng. **Light My Fire**, for the walkers, said it was a really good walk along the river and awarded it **9.9**. **Sardar**, for the runners, said it was an excellent river run and he'll know where to catch a taxi next time he's in the vicinity – **9.99**.

**RA REPORT:** **GM** welcomed back to our long-lost RA, **White Pointer** and commended him on his ability to control the weather for our runs, even from a great distance. **RA's** first charge was against **Wenchy**. So much in the world has changed in recent times that she actually **arrived early**.

**Ex-GM D Liva Rants** was charged for the whole of last year, when she couldn't be.

**Animule** received the James Cook Award for navigation, having gone around without getting lost.

**Mountain Hawk** received the Mother Theresa Award for abstinence – avoiding Covid.

#### **CHARGES FROM THE FLOOR:**

**RA** on **Sluggo** for not registering her pooch

**Tightarse** on **High Beam** for referencing K-nein

**D Liva Rants** on **Lofty & Cookie** for background chatter

Accolade from **Mountain Hawk** on **D-Cell** for Life Saving

**Tightarse** on **Inspector Gadget** (pre-promotion) selective transmission of COVID

**Hard Case**, GM of Hammersley was joined by other GMs, **GPS** (Hills) and **Hogshit** (HOSH)

**DUMMY SHORTS:** Had to be our ex-GM, **D Liva Rants**, because we could

**JOKERS:** Troppo, Wenchy, Cookie, Tight Arse

What's this? Our virgin hare, **Bag Lady** appeared. She declared that she missed the afterglow but she wouldn't have known if she'd been coming or going without **Cookie**.
