**RUN: 1641**

**Date: 6<sup>th</sup> January 2023**

**Hare: Insp Gadget**

**Venue: North Fremantle**

Our first run for 2023, The wind was howling when we all got together for our Friday run. I think the RA must have had some grievance with us all as we battled what seemed like gale force winds. We set off heads down for what we knew would be a scenic run. Wind-blown and battered we were more than happy to arrive at the drink stop.

Port and bubbles were on offer once Gadget managed to open the bottle. He might need a bit more practise.

We all had a laugh at some hapless driver, who just happened to be female however, that had no bearing whatsoever on her lack of good driving skills. To be fair with so many offering advice as in "turn the wheel this way and another saying turn the wheel that way" she didn't really stand a chance. Nearly took our drink table out but lucky for us it survived as did we and it was then on on home.

Mountain Hawk came to Gadgets rescue and helped Gadget provide some lovely nosh. Glazed Ham potatoes and red cabbage. We all enjoyed the cake!

## Runners Report

Sybil critiqued for the runners, she said it was a marathon going uphill and down dale against bracing winds.

The drink stop was beautiful and made it all worthwhile.

Hardcase spoke on behalf of the walkers and gave a rating of 10 out of 10 for a good run!

## **Visitors and LTNS**

LTNS-Soixante Muff was a long LTNS, apparently there is a history between her and our esteemed GM, I think she came to give him a birthday present but the less said about that the better. Pickled Piper and Roxby were also LTNS.

We had Sheep Thrills as a visitor and called out Sheep Shunter to also have a DD, as two sheep are better than one. As Sheep Thrills is a Hammersley Hasher Hogshit led the group singing the renowned Hamersley song.

Virgin- We had the delightful Irish colleen as our Virgin Hasher calling in to say high as she continues her travels.

## **Charges**

RA charged Troppo with knowing the size of Bigus Dickus I think the RA might have been jealous we all know what these priests are like.

RA charged Cookie for trying to lead us in the wrong direction which she didn't deny.

RA charged GPS for photobombing; D Liva Rants got involved talking about an erection of some sort some wishful thinking on her behalf me thinks.

RA charged Hardcase for attempting a Coup d' tat and trying to impersonate the GM. I think Soixante Muff may have also been involved in the coup as she was wearing the same uniform top as Hardcase.

## **Accolade**

RA called out Colleen as she had been in Antarctica 2 weeks ago.

Tightarse gave our GM an accolade for the beautiful full moon, trying to butter him up but for what we can only guess.

Bell Boy almost got charged for forgetting to drink the splash receptacle but got an Accolade for taking the short cut and going to Bunnings to buy a new one. Way quicker than going back home.

## **Zero Heroes**

No zeros heroes tonight just a lot of misguided heroes.

## **Birthdays-**

70<sup>th</sup> Birthday no less for our Inspector Gadget let's hope he has many more birthdays to cum.

Tightarse had us all join in song for re mixed version of Yesterday turned into a birthday song our GM was tickled pink with it.

## **Jokers**

There were 3 jokers, Cookie, Tight Arse and Wenchy.

Cookie told one about a teacher Wenchy told one about 2 nuns and Tightarse told one about a young boy wanting to buy some tampons so that he could swim and go horse riding. They were all funny, but I can't decipher my notes.

## Dummy Shorts

Three candidates Sardar, Hogshit and Highbeam.

Hogshit got the shorts due to his leading the pack in the Hamersley song with Mountain Hawk wondering why. Obviously, it's a song close to Hogshit's heart.
