RUN: 1642

Date: 13th January 2023

Hare: D Cell resplendent with her face painted as a pussy

Venue: Burswood

Chris Columbus sailed the Ocean Blue according to Sir Fumbles!!

Run details. 35 or was that 36? runners & walkers, lots in Black gathered to hear the instructions which D Cell was trying to convey to only those dressed in Black. Everyone managed to get the drift & we all headed off over bridge on Gt Eastern H, way to Burswood & Beyond.

We were told not to walk under ladders as it was bad luck, but the only person to see said ladder was Franga out in front. Sardar desperately trying to keep up but to no avail.

Replicar managed to score himself a beer from a couple of generous bystanders.

Drink stop of Ouzo & Lemonade with liquorice sticks & all sorts went down well
