RUN: 1643-

Date: 20th January 2023

Hare: Hogshit

Venue: MacDonald Park, Padbury

It was a hot balmy night as 33 Hashers set out to discover the streets of Padbury.

Great drink stop, although the Police were watching us and Slugger was getting worried. But the police just saw a load of old farts and decided we weren't worth the effort and promptly drove off looking for bigger fish to fry. It was Friday after all.

Great supper with Silverside, Coleslaw and Spuds.

Runners Report

Tightarse reported for the runners although there was dissention in the circle as some asked was Tightarse actually a runner. In the end he was given the benefit of the doubt. Anyway he loved the run and said he would score the run after eating the food.

Animule and Bag Lady reported for the walkers both said it was a bit short for them, so they did 2 laps and still beat everyone.

Visitors and LTNS

Cowpat, Miz Nomer and Big Bang were all LTNS.

Charges

Hogshit was charged with holding up the circle due to his searching for the divine light, which he had great difficulty in finding.

Yo Adrian for arriving late.

Replicar who apparently couldn't control his pussy, Troppo was quick to advise him he isn't stroking it the right way and offered to help him next time.

Tigtarse charged Mountain Hawk for not cuming on the 13th Jan run and something was said about making love ?

Replicar charged Sardar with hiding in full view and running over the false trails.

GPS Cowpat and Wenchy for chatting away in the circle.

Accolade for Sardar for his words of love as we all know love makes the world go round, and if you go round fast enough you get dizzy.

Zero Heroes

Big Bang was a 200 run grinner, The GM gave him his mug and if he is lucky next time, he will get his badge.

Gadget was a Zero hero with 70 runs, Tigtarse got an early Zero hero mainly because I misread his digits.

Birthdays

No one admitted to having a birthday not even Troppo.

Jokers

Mountain Hawk, Troppo, Wenchy and Gadget all told great jokes.

Dummy Shorts

The dummy shorts were given to yours truly, due to that fact I went to the wrong car park. Easy mistake which any of us could have made including me.
