RUN: 1644-

Date: 27th January 2023

Hare: Yo Adrian

Venue: Blackdown Way Karrinyup

40 Hashers set out in Karrinyup to scale Mountains and meander through valleys. It was a hot sultry evening. and we certainly got our exercise. We were served some lovely pasta and sauce to finish off the evening.

Runners Report

Megawatt critiqued for the runners, he loved the Ups and downs and commented it was nearly as hilly as Wenchy. He gave the run a score of 9.3

Walkers Report

Buttered Buns liked the hills and the interesting houses.

So total agreement from all that the run was hilly.

With a few old goats seen scaling the highest hills.

Visitors and LTNS

We had 4 visitors, 3 from Perth Harriet's, Tutti Frutti, TWA and Leopard.

We also had Screwdriver from Hamersley / Freo Hash.

Unbelievably we didn't burst out singing the Hamersley song.

Buttered Buns and Roxby were both LTNS, although Buttered Buns tried to dispute this.

Charges

The RA had really been keeping his eye on everyone and had a lot of charges.

First up was Yo Adian who made our RA's night by greeting him wearing only a towel and a smile I think she should have had an accolade.

Screwdriver was charged with being on time as apparently, he is usually late, although he did try and put the blame on Buttless who wasn't here to defend herself.

Shadow was charged with always been late, but that's another story.

Buttered Buns was charged with gorging on G&T's and chocolates while reading lots of books including Shades of Grey while supposedly not feeling well?

Yo Adrian charged again for bringing all her Harriet friends to make up the numbers.

RA charged Hogshit for stealing poo bags, Hogshit said they were better quality than the one's in Hamersley.

Wenchy charged all those who were sitting in the circle, way too many to name.

Accolades

The GM gave Soixante Muff an accolade because she drove him to Hash, which meant he could get sozzled.

Zero Heroes

There kind of was and kind of wasn't but rumour has it that Shadow has 670 runs under her belt.

Birthdays

Animule had a birthday and brought a lovely cake.

Jokers

Mel Adjusted told a joke about Sir Fumbles, who apparently has a bigger one than his brother. Troppo told one about an arsonist looking for new matches every week and finally Wenchy also gave us a good joke.

Dummy Shorts

There were three nominations, Cookie, Radar, and Sheep Shunter.

Sheep Shunter won hands down for falling asleep in the circle and falling off and breaking his chair.

Under other Business

Radar came and discussed the financial side of things.

The closing balance on 30.11.2022 was \$4060.38 which was an increase of \$1823.14 over the year.

The club made \$238.00 for the charity Solaris however the club rounded this up to \$300.00.

Average attendance last year was 34 per week.

This year the committee has agreed on 2 restaurant runs and 1 weekend away. Watch this space.

Screwdriver discussed the Freo 1000 runs event, he reminded everyone that early rego ends on 31st Jan.

Once again see attached flyer for Freo details.
