RUN: 1640

Date: 30th December 2022

Hare: Beau

Venue: Carlisle

40 hashers and 3 mutt hashers set out in Carlisle on a mission to find the drink stop. The RA once again came up trumps with a lovely summer evening. We meandered the streets, Mel adjusted saying Hello to everyone he came across. Some of them did look worried but we assured them "He is OK ", looks can be deceiving. Great drink-stop and the evening topped off by lovely food made by D-Cell.

Happy New Year to all Hashers near and far.

Runners Report

Bag Lady critiqued for the walkers, however Franga distracted her, she seemed excited and what she said was unclear. I think she said it was a great run for the walkers.

Replicar reported for the runners.

He found the trail tricky with lots of lopes, he said it was quite a good run, however he complained that D Cell knew nothing and who were we to argue with that.

Visitors and LTNS

LTNS-Buttered Buns was literally pushed into the circle as she was denying being a LTNS. We all knew better; well, we knew that butter is always better than marg.

Charges

Slugger and Mountain Hawk for talking nothing new there

Franga for distracting Bag Lady by trying to root about in her bag to see what surprises she may have. He was a gentleman and didn't disclose anything untoward.

Bell Boy for doing the unthinkable and forgetting the splash for the down downs.

Hogshit for perving, no further details were given soooooo who knows?

GPS for something he did on Wednesday until the lovely Radar stood up for him and reversed the charge.

Franga for being unsociable and running straight past the drink stop, he claimed he was leaving it for others as Beau was worried, he hadn't brought enough Booze.

Franga also got a mention for not been in the right place at the right time on Wednesday

Radar didn't try and reverse this charge. Obviously, Radar has her favourites.

D-Cell for being a C- Cell.

Sardar was charged with something, might have been his trying to share the love around in the circle.

Yo Adrian and Radar for talking, shouting, laughing, and singing in the circle. Let's just say they were LOUD!

Me, Myself, and I for rearranging the back of our car when I reversed into a pole, fortunately no one was dancing on it at the time. Hey, my first ever insurance claim for a car!

Accolade

Yuki, the four- legged little pouch for facing off with 3 big dogs. Also, for carrying off a new fur cut with aplomb despite the fact it looked like it was cut with a knife and fork.

Zero Heroes

Tonight's Hero was D- Cell for 300 runs, she received a mug and 2 badges. She was over the moon! her excitement knew no bounds.

Biggus Dickus for 40 runs

Birthdays-

Bag Lady, who did not have a cake in her bag much to everyone's disappointment. Maybe that's what Franga was looking for.

Jokers

Gadget- tried but his joke got overshadowed by Mountain H

Mountain H who tried to tell a joke about St Peter, unfortunately she suffered more senior moments than should be mentioned. It's true to say she totally stuffed it up. The joke was Mountain Hawk, she gave us all a good laugh, so from that point of view she was a winner.

Tightarse came to the rescue of his bird Mountain Hawk and told us a joke about the left leg and starting out the new year on the right foot. He did his best!

Dummy Shorts

Awarded to Mountain Hawk for obvious reasons.
