**RUN: 1646-**

**Date: 10<sup>th</sup> February 2023**

**Hare: Sheep Shunter**

**Venue: Stan Moses Pavilion, Jubilee Park, Eden Hill**

34 Hashers couldn't resist coming to Hash on what was a lovely night not too hot, not too cold. With a nice breeze to revitalise everyone. Sheep Shunter showed us a demo of some farrows, so we knew what to look out for. They were large and easy to see, however a magnifying glass was needed to see the ones on the run. Luckily a few hashers were prepared, and we were mostly able to follow trail. It was a great run followed by an even greater meal. Everyone loved the venue due to the limestone wall which we all plonked ourselves down on.

### Runners Report

Sardar reported for the runners, he was disappointed he saw no sheep. Mel Adjusted said what a shame because Sardar is fast enough to catch any sheep. Probably just as well he didn't see any or we might have had to call in the animal protection squad.

### Walkers Report

Mel Adjusted reported it to was a good walk although a few walkers went astray. He boasted he had walked 3.7Ks. He gave it a score of 7.5 without a meal but a 10 plus after he had eaten.

### Visitors and LTNS

We had 3 LTNS: Crusher Skippy and Neverhard

We also had a leaver tonight Bigus Dickus is leaving us for greener pastures.

We all wished him well and sent him on his way.

## **Charges**

Tropo was charged for singing out of tune, out of sync and even singing a different song than D Liva Rants who had been given the privilege of leading us in song.

The GM charged the RA for putting his better offer before his flock. Although I heard a rumour that our esteemed RA had in fact attended Cardinal Pell's funeral. D Liva Rants broke out singing "Little Boys are cheap today" which we all deemed was very appropriate!

Skippy charged Sheep Shunter for giving him false info and telling him the run was in Midland, perhaps Sheep Shunter were trying to tell him something.

Hardcase charged Dynamo for not bringing any cash out, luckily for Dynamo, D Liva Rants had found the \$10.00 note and was quick to hand it over. GPS was not happy as D Liva Rants had promised to buy him a drink with it.

The RA charged GPS for apparently threatening his beloved Hen as she had not delivered the promised golden egg. Seems we might have to call Animal Protection after all.

The RA charged Rockbottom for pulling down GPS's shorts, she claimed she was simply showing GPS how not to look like a dork. GPS was disappointed she didn't pull them off.

Yo Adrian was charged with threatening children, but she denied the charge and said it was the Yummy Mummies she had threatened.

## **Accolades**

Mel Adjusted gave D Liva Rants an accolade for delivering something not quite sure what.

## **Zero Heroes**

Tropo 1390 Replicar 1230 Crusher 530 and Radar 470. We had 2 bookends Lofty at 161 and Sir Fumbles at 848.

## **Birthdays**

The Birthday Girl ( term used very lightly) didn't show up so maybe next week.

## **Jokers**

Tropo was first up but it took him so long snoring could be heard from the crowd. D Liva Rants told a joke about 3 ducks jumping puddles and poor old puddles being the 3<sup>rd</sup> duck.

Mel Adjusted told a joke about the word fascinate and I don't think it fascinated anyone, but well done for effort I say.

Cookie made history by not telling a joke.

## **Dummy Shorts**

GPS As usual was upset to relinquish the shorts. D Liva Rants and the RA were nominees. The RA won hands down and was seen making his getaway, shorts flapping. Then exposed himself, while putting them on with something long and soft.
