**RUN: 1647-**

**Date: 17<sup>th</sup> February 2023**

**Hare: Buttered Buns**

**Venue: 8A, Fletcher St Applecross**

We had 37 hashers turn out for Buttered Buns, turns out they got more than Buns with 2 beautiful soups to accompany said buns. As we were in Applecross, we had a great run with lots of river views and vistas of the city to enjoy. The RA was seen lurking around in bushes holding onto something Oh that's right it was a pencil. The GM was telling a very tall story about a get out of jail card. Light My Fire did her bit by doing some street cleaning all in the name of safety.

### Runners Report

Spackle was called in to give us a run report, but alas he didn't run the run, he walked the run, so he didn't talk the talk. Sardar was called in as he did in fact run the run. He said it was a great run and a fabulous drink stop.

### Walkers Report

Mental Disorder reported for the walkers that walked the run. He commented on the beautiful houses and said that the area was to push for us poor hashers to live in. He said it was well marked he loved the drink stop. Scored it a 9 and that was before the food.

### Visitors and LTNS

There were 3 visitors: namely Robyn Cherry Picker and Immobilise Her. Cherry Picker was asked who made him cum, he mumbled something about the web and his hand. Enough said!

We had 7 LTNS:

It must have been the location that lured them out. We had Animule, Franger, Pickled Piker, Roxby, Wisecrack, Spackle and Zip It.

Alas we had another leaver this week. Gloria is heading over east and then On On home to Mexico City. Bon Voyage Gloria.

**Charges** - The RA charged Cookie with hashing for 30 years plus, the long and short of it was she was part of the industry Super fund however she had misled us as the small super fund outperformed the industry fund.

High Beam was charged with going the wrong way she was dobbed in by Megawatt.

High Beam was charged with having a square plate rather than a round plate.

High Beam charged with spitting the dummy and calling 3 Germans into the circle to aid and abet her.

She was last seen, imitating John Cleese using her finger for a moustache and doing the silly walk.

Animule charged Sardar for taking up 4 car bays.

RA charged Robyn and Mel Adjusted with something about the run sheet. Mel won apparently.

Replicar charged the hare with giving him a huge heavy piece of chalk which impaired his run.

### **Accolades**

Accolade for Replicar for marking off the trail despite the extra weight he had to carry.

### **Zero Heroes**

Tonight's Zero heroes were: Yo Adrian 120 Dynamo and Hardcase with 40 Sybil had bookends with 595 and Ballwinkle had 3 little ducks with 222.

### **Birthdays**

None this week.

### **Jokers**

Troppo was the joker of the night. Something about a council worker with Tourette syndrome and one about a pig and tomato sauce. It seemed to all make sense on the night and gave us all a laugh.

### **Dummy Shorts**

Nominees were GPS and Spackle. Spackle awarded them for going to the wrong house.

### **Under other Business**
