RUN: 1648-

Date: 24th February 2023

Hare: High Beam

Venue: Perry Lakes Floreat

There were 32 hashers attracted to the light emitting from our hare High Beam. Which is unusual as its usually the hare blinded by the light. We set off quiet happily enjoying the scenery and ambiance.

Then it hit us, the highest mountain in Perth, as we ascended to the heights there was huffing and puffing even gasps could be heard. Some had ears that popped, and some had nose bleeds. Thank God for the drink stop at the summit. Phew, the bubbly, lolly's, beautiful view, and fantastic sunset made it all worthwhile.

Happily, refreshed we descended to base camp. There were cheers of joy as all trudged on on home.

High Beam cooked her fabulous Cassoulet followed by yummy brownies.

Runners Report

Soixante Muff reported it as a beautiful run, very flat (yea right) fantastic drink stop. She was amazed to report she had a blood nose. Lucky, she had packed some tissues in her shorts. She gave a score of 9.

Walkers Report

Animule did the honours for the walkers he commented on the nice area and claimed to have missed the mountain. Animule also scored the run 9.

After the meal I heard calls of 10 ++++++, safe to say we were all well fed and watered when we left, well maybe not watered, try beered or wined out. Suffice to say we all left happy.

Visitors and LTNS

We had a lot of LTNS:

D Cell, Beau, Miz Nomer, Big Bang, Mountain Hawk, Tightarse, Soixante Muff, Menstrual Disorder and Franger all LTNS.

Charges –

Lots of charges tonight for a rowdy bunch of hashers.

RA charged Miz Nomer and Big Bang with being crow eaters which they tried to deny without success.

RA charged Ballwrinkle with reckless driving after he almost took out half the hashers. He then made a hash of his parking. It should have been a double charge for 2 offences.

RA charged D Cell with trying to nail herself to a cross for obvious reasons, namely her index finger heavily bandaged.

RA charged Soixante Muff for bringing advertising material to hash and spruiking for French Films.

RA charged Neverhard with being a “buy now pay later” kinda guy. Think he tried to diddle our hash cash.

RA charged Franger with being one of our prettiest piss pourers. Obviously, the RS wasn't wearing his glasses tonight. But hey he is the RA and we all know what they are like, when it comes to pretty boys.

RA charged Shadow for been a LTNS who didn't own up to it because she didn't want to get off her chair.

Replicar and Troppo were charged. Troppo for taking off his gear, although Replicar did claim it didn't turn him on and he looked the other way. Franger commented this seemed unlikely as after all they are both Hamersley boys!

RA was charged by Mel Adjusted for saying something about 9 flies instead of 9 pins? it went something like that.

Mental Disorder charged Radar who apparently complained that the Aerogard he gave her smelt like Aerogard. Which proves you can't please some people.

Tightarse charged Neverhard for saying at the top of the hill “That was hard!” Tightarse thought he was Neverhard.

Accolades

Radar gave Menstrual Disorder an accolade for a taking a sickie in order to come to hash. Radar said Menstrual Disorder will now be given her citizenship as she has now proved she is dinky di. So, expect to see her more often now that she knows the drill.

GM gave Sardar an accolade for his parking skill, his practising has paid off and he parked in one go! He should give Ballwrinkle some lessons.

We should have given the RA an accolade for all the charges he made tonight.

Zero Heroes

Tonight's Zero heroes were: Sir Fumbles 850, Animule 750, Tightarse 530 and Mel Adjusted 470.

Birthdays

No-one owned up to having a birthday not even Troppo!

Jokers

Cookie, Troppo, Mental Disorder and Gadget were all jokers, Cookie told one about a monk. Mental Disorder one about a lady on Sale of the Century and good old Troppo told a few jokes. Gadget told one about Luigi and his fingers. Belly laughs were heard from the rabble.

Dummy Shorts

Nominees were Ballwrinkle for his lack of good driving skills. D Cell for nailing her finger to the cross. D Cell won hands down or finger up I am not sure which.

Under other Business

None tonight.
