**RUN: 1649-**

**Date: 3<sup>rd</sup> February 2023**

**Hare: GPS**

**Venue: 15 Conigrave Place Canning Vale**

39 Hashers descended on Canning Vale. GPS gave us our instructions in no uncertain terms. We were told there was to be no gossiping on the run. It was to be head down bum up and follow the trail!

That seemed to set the tone for the evening. Not that any of us listened of course. There was gossiping on the trail. Luckily the drink stop was discovered despite all the gossiping. A very nice drink stop it was with Gin on offer with a few different mixers. Soup for supper went down very well. So, all in all a great night.

### Runners Report

Troppo reported for the runners. Troppo forgot his hearing aids so made mention of the fact there was no horn. Flatly denied by Beau who is the horn. Franger stepped in to defend someone I'm not sure who.

Troppo agreed it was a great run with or without the dulcet tones of the horn. He will wear his hearing aids next run.

### Walkers Report

Mountain Hawk said the run should be renamed talking trail, she said she had a great chin wag with anyone who would listen. Brilliant score of 9.75. Buttered Buns demanded an accolade for having been the only walker to have walked the trail. It sounded very dodgy to me, and no one offered to vouch for her. Read into that what you will.

## **Visitors and LTNS**

No visitors but a few LTNS:

D Liva Rants, Cowpat, Slugger, Hogshit, Wenchy and Rockbottom

## **Charges –**

GPS was charged with giving a great intro to tonight's run which was also the run for another club who shall remain nameless. GPS didn't contest it.

RA charged D Liva Rants for making a mad dash to the drink stop and encouraging others to follow.

RA charged Rockbottom for been reunited with something or someone.

RA charged Mel Adjusted with having lunch with someone other than Radar this was hotly denied and deemed a vicious rumour. It gave the Hamersley boys a chance to get together for a DD. And offer one another support.

RA charged Mental Disorder for not supplying Chico with a portable peeing tree. Chico disgraced himself tonight by peeing on the hares Barbie. Ken should have been there to protect Barbie, but he had gone off with the Hamersley boys.

Replicar charged with looking the other way.

Tightarse on behalf of Shifty reminded D Liva Rants that it's her day on Monday as its Labour Day. There's sure to be a lot of pushing, though hopefully not in the carpark like the lady on the news.

## **Accolades**

RA gave Sardar an accolade for finding 65 lost relatives on the run. Can they play cricket the crowd shouted.

## **Zero Heroes**

Tonight's Zero heroes were: **Phantom** for **1400** runs and Buttered Buns 300 runs.

Rockbottom had 590 and Hogshit 580.

## **Birthdays**

None that we know of.

## **Jokers**

Rockbottom joked about a lawyer and an engineer and God not been able to find a good lawyer in heaven.

Cookie joked about Adam and Eve and a hard one.

Troppo told one about a monkey and 2 women.

Tightarse topped it off with one about a gorilla having his way with a nun. Three long days and nights later the nun was in despair due to the gorilla not having phoned or written.

Mental Disorder finished off with one about Troppo and another Hamersley boy who was so ugly he had to wear a bag on his head. This surprised me as how ugly can the back of a head be. I will ask Troppo and let you all know.

Great jokes!

## Dummy Shorts

Nominees were Sardar, Franger and myself also known as Mouth Organ. Funnily I didn't take notes. Sardar for amassing more relatives in one night than most of us have over a lifetime.

Franger for been Franger. Me for making a hash of the hash, stumbling over words, and being totally confused for most of the night.

Sardar lost hands down turban up. Me myself and I were no hoppers and Franger sashayed away in the shorts.
