RUN: 1650-

Date: 10th March 2023

Hare: Roxby

Venue: McDougall Park Como

There were 35 hashers who set off on Roxby's run around Como. The runners went one way and the walkers the other way. Eventually meeting up back at McDougall Park. Roxby was very frugal with her chalk; we looked high and low for those elusive farrows. Strange thing is when the hare demonstrates their farrow's they do big bold ones but be warned when they are marking the trail, they get crafty and do light almost fairy farrows. Just an observation. The important part is making it to the drink stop which we all did so no complaints at all a lovely jubbly run, with lovely bubbly served in a proper wine glass, it tasted great and brought smiles to all our dials. We were spoilt cos not only did we get lollies we had dip and crackers too.

Thanks Roxby!

Runners Report

Troppo was called in to report for the runners, he tried to keep it brief. said the trails checks were long, the horn was mentioned but not heard. Beau said he took the walkers trail and was amazed to find farrows he placed when we had our Chrissy run. Seemed a bit hard to believe but believe him we did. The run scored 9.5.

Walkers Report

D Liva Rants reported for the walkers she said she walked and waited and waited before eventually she had the magic call on on and set off again on the search for the drink stop. Great run and absolutely fabulous drink stop.

Visitors and LTNS

Sluggin brought her sister Gill to hash, we were assured she wasn't a virgin as she had cum once before. Tonight's long time no sees were: Hopping Mad, Bag Lady, Sybil, and Megawatt.

Charges

The RA had been busy tonight noting everyone's fall from grace. Mainly due to the stress we are all under in today's mad Hash world.

Roxby charged with stressing over 2 drink stops and deciding at the last minute to cross off one. Which she did with blue chalk right before our eyes.

Bell Boy for stressing out our hash cash.

Neverhard for driving like he was on the Auto Bahn and going like a bat out of hell.

Mel Adjusted charged for eyeing off the orca's he saw whilst sailing around getting battered and bruised as the sea was rough and choppy. Lucky, he took his sea sickness pills.

Hopping Mad was charged with bringing back secrets from China and having the intel about the discussion our Albo had with Xi Jinping. Sadly, she wouldn't disclose anything as freedom is everything.

Mental charged with driving Miss Chico and parking in a bike lane.

The RA commented on how sad he was not to be able to charge GPS with anything. Obviously, the RA didn't look hard enough in this instance.

Accolades

Hogshit gave the RA an accolade for his excellent charges.

Big Bang gave the RA another accolade for finding 2 young ladies and attempting to lure them into hashing. Surprisingly he did manage to procure their emails.

ZERO HEROES

Tonight's Zero heroes were: Megawatt 490 White Pointer 340 and Bag Lady 40.

High Beam had a book end with 656

Birthdays

Only you know who and we all know that's not until August.

Jokers

Rockbottom told a joke about 3 blokes an Englishman a Scot and an Irishman at an Aussie pub drinking Guinness and the proverbial flies buzzing around and in the drinks.

Troppo told one about a guy falling down the stairs at the airport, he had a plane fracture.

D Liva Rants told one about a pickle slicer.

Mel Adjusted told one about Johnny and his teacher.

Dummy Shorts

Beau was nominated he had already fled the scene. Hopping Mad was nominated for thinking she had lost her phone. She was seen hopping about flapping her arms in despair until suddenly there it was on the roof of her car.

Hopping Mad won by a Chinese mile.

Under other Business

None that was ours.
