RUN: 1656-

Date: 28th April 2023

Hare: Phantom

Venue: Landsdale

26 Hashers and a couple of pooches turned out on what turned out to be a lovely evening. The trail was well set the venue was great and a great night was had by all. Phantom made a great chilli con carne which everyone enjoyed.

Runners Report

Franger was called in to report for the runners - he said it was a fantastic run, well set with lots of farrows! He asked that White Pointer take note of that. That gave us all a laugh. He scored it a 10!

Walkers Report

Shifty was called in to report for the walkers. Shifty thought it was a lovely walk, she said she galloped through the 4k run and it felt much shorter. She loved all the false trails and scored it 8. Obviously, she is not known for her generosity. She is a Yorkie after all.

Visitors and LTNS

Hop Ping Mad, High Beam, Animule and Shadow were all LTNS.

Charges

Our RA was sporting a new hat tonight supporting the Eagles and God knows they need as much support as they can get. Anyway, apparently the RA has had a word with the woman upstairs and expects a 5 point win this weekend. Fingers crossed on that one.

Hop Ping Mad was charged with hanging on to the shorts for way too long.

Franger who seems to be the RA chosen proxy was called in as proxy for Pickled Piker who was charged with warming his hands on Sybils bottom. There were several calls for a demo and even more calls from those who wanted to emulate Pickled Piker. Bellboy was called in for a DD - if one piss pourer drinks they all do.

D Liva Rants was called in for her several attempts to park her brand-new car, as she tried to reverse park and failed miserably and ended up pulling forward. It was claimed she was trying to park near Franger. The RA suggested she be given a HHH sticker for her car from Haberdash but she rejected the idea as she doesn't want to damage her car. Who knew that haberdash has stickers?

Buttered Buns was called in to the circle by the GM, on her down down she was accused by Franger of drinking it like it was sperm. In her defence I think this could be more a case of the quality of the splash. Just saying.

Mental was charged and took a DD for Chico who was apparently translating for the GM and wagged his tail for the GM. This sounds like a tall story to me, but when I think of our GM and Chico neither are known for their height.

Shadow was given a DD for being a latecomer but as Radar pointed out if she came that's a win.

Mental charged Sybil for using him as a shield when she had to use her phone.

D Liva Rants charged Sardar for standing inside the circle rather than being part of the circle. There is always one!

Mental brought the charges to an end by a doozy of a charge. Apparently after last weeks run, Shifty went up to Mental and in a sombre voice displayed her concern for Mental as she told him that she didn't know what was going on, but she had seen his wife leave with Hardcase. Mental duly told her his wife was at work, and that it was in fact Dynamo who left with Hardcase. We were all in stitches over that charge. But take note there is a dobber at hash so be careful!

Accolades

RA gave Roxby an accolade for coming 2 weeks in a row, however The RA was very disappointed she didn't bring her lovely young daughter Skully with her. He claimed it was to lower our age demographic. I think we all know that wasn't all he had on his mind.

ZERO HEROES

Radar 480, Sardar 630, High Beam 660. Mel Adjusted brought to our attention Cookies straight, I didn't realise there were straight people at Hash most seem a bit bent to me. But apparently Cookie's run number of 1234 is in fact a straight!

Birthdays

Cowpat and Ballwrinkle had birthdays this week.

Jokers

Mental told a joke about an 80-year-old and a sexy young bird on Anzac Day. She got hot and turned on by his medals. She dragged him into the loo and they had sex in every position possible. He was amazing the young bird asked him how long since he last had sex he told her 1945 wow she couldn't believe it "that long she said" he looked at his watch and said well its only 2100 hours now. Boom Boom.

GM told a joke about a teacher who asks her class to come up with the name of predators ending in tors, someone calls out Alligators and then of course little Johnny pipes up he shouts out vibrators, the teacher looks at him bewildered he looks right back at her and says "his big sister told him her vibrator eats up batteries like there's no tomorrow".

Then we had Troppo, telling us something about eating dried grapes to raise awareness. There were a couple more but suffice to say they were forgettable, and I have forgotten them. With practice he may get better, don't hold your breath, but it seems doubtful. We love him anyway.

Dummy Shorts

Several nominees Hop Ping Mad, Franger and Shifty. Yep, Shifty won hands down.

Under other Business

Hares were asked to keep the Trailmaster of love informed of their run details in plenty of time. This is to enable the details to go on the web page and FB and in the rag.

The GM announced on behalf of Mountain Hawk and Tightarse the birth of their 4th grandchild, Alfred George Hawksworth. So, a big welcome to Alfie from all of us.
