RUN: 1658-

Date: 12th May 2023

Hare: HopPingMad/Bellboy

Venue: Mills Park, Beckingham

4.8Km Run

The traffic was horrendous no matter which direction you came from, 27 mad Hashers took their life in their own hands as they changed lanes, changed direction and did all in their power to make it to hash on time. Shadow was obviously more cautious, not wanting to do any damage to her new "you beaut" car. Great run finished off by great supper of Chick or Lamb Curry.

Runners Report

Replicar was once again hauled into the circle to give us his opinion of the run. He said it was dark, flat, well set with plenty of farrows. The Stones Green Ginger wine at the drink stop went down a treat. He declined to give the run a score at this point and was very bashful about it. All that changed once he had sampled HopPingMad's curry, he raved over it, the lamb curry really took his fancy he was aided and abetted by Hogshit and told me his score was a whopping 12! And to make sure it was recorded in the rag.

Walkers Report

Animule declared it was a long run, I think he did 2 circuits. Drink didn't impress him as he can't drink. Aww, we think he was after our sympathy. Having said that it also spared him from the splash. He was seen later enjoying a Pepsi Max.

Visitors and LTNS

We welcomed back Light my Fire, and a sick (pneumonia) Sheep Shunter and GPS after their trip away.

Tonight's visitors were Bimoli, Bajaj and El and we must not forget the for legged mutt called Pinot noir. Bimoli was able to catch up with old friends Mountain Hawk and our GM.

Charges

Mental Disorder stood in as RA, as White Pointer was once again AWOL.

GPA was charged with having offers on the street. 800 Baht apparently was mentioned, not exactly sure what he was offered, but we will say no more.

Franger was charged with drinking beer and being a sex tourist.

Hardcase charged with playing with Pinot Noir and throwing small sticks. Pinot apparently is a branch manager and prefers a bigger branch.

Bellboy was charged with incest; I have no clue why and probably best we don't know.

Shadow was charged with coming late, she claimed she got lost, but as the saying goes better late than never.

GM charged Sardar with reckless driving and said he followed Sardar through 3 car parks.

Franger charged with watching porn in the circle, a charge he didn't deny.

Accolades

To Mental Disorder for filling in as RA.

ZERO HEROES

Amazingly no Zero Heroes tonight

Birthdays

No Birthdays either

Jokers

Mental told a joke about Little Johnny getting into trouble for bad language and been told to talk to the bitch in the kitchen.

The GM told one about Paddy and the jurors reaching a guilty verdict. It was something to do with a rich guy and a poor guy and the rich guy's wife getting a Mercedes and a ring for her birthday. That sounded very familiar to me, I recall a certain hasher getting a Mercedes for her birthday. The poor guy's wife got slippers and a dildo. That will probably be me.

True to say we missed you Troppo.

Dummy Shorts

GPS true to from nominated himself, Shadow was a nominee as was HopPingMad. Sheep Shunter was nominated for getting Legionnaires Disease in Thailand. Franger out shone everyone and once again is the proud owner of the dummy shorts.

Under other Business

The Palace run was discussed, there is now a new venue, the courtyard at the Wembley Hotel.

Flyer attached to rag all info in there.

Our GM talked about the weekend away 24th June, he had begun to think no one received the email he sent out asking for numbers for the train trips. Not one reply, hopefully that's not indicative of the enthusiasm. And it wasn't, a roar went through the circle with lots of hashers eager to take the train to nowhere. Shadow shouted she is all paid up for both, well done Shadow for leading the way.
