

33 Mad hashers and 3 pooches turned out for Animule's run at Henderson Park in Wembley. The wind was cold, and everyone was well rugged up. It was a good run and enjoyed by all. Thanks to Hogshit for the map.

Runners Report

Roxy and Cowpat were called into the circle to report for the runners. Luckily Cowpat was able to translate for us. Roxy loved the run, she spent most of her time sniffing about as she ran and hey, Roxy runs like a greyhound.

Walkers Report

Next it was Chico's turn to report for the walkers. Mental Disorder trotted into the circle to translate for Chico. Chico loved all the trees and marked each and everyone along the run. The sausage supper was a huge hit with both Roxy and Chico. Neither dog is good at maths so they didn't give it a score, by the number of sausages they wolfed down I think its fair to say they would have scored it a 9.9.

Visitors and LTNS

We had Slugger Hogshit and Menstrual Disorder as LTNS. Morphine and Sprinkler were LTNS or visitors depending on who was asked. I should have gone straight to the source and asked them, anyway nice to see them at Friday Hash.

Charges

The RA was AWOL this week, probably due to the poor performance of the Eagles last weekend. They got unfortunately massacred. Our RA's prediction of a 5-point win didn't come to pass.

Lucky for us keen Eagles supporter Megawatt didn't let that bother him and came to our rescue and performed his RA role. He wore a crown which some thought suited him very well.

Franger was called in to the circle as a proxy for Sardar who once again had already made his escape.

The story goes that Sardar knew nothing about the coronation and in fact asked if it was Princess Anne who was to be crowned. It sounds like a tall story, but some people do live in a bubble. Never mind Sardar you can't get it right all the time.

Shifty was charged for forgetting the dummy shorts, in her defence she went back home to get them, so she probably deserved an accolade.

The horn seems like a long-lost memory, so Hogshit decided to bring along his new whistle. He claimed it was his 3rd one, his first was a wooden one and it wooden whistle then he tried a lead one and that wooden lead him whistle. Then he got a tin whistle and now he tins a whistle. OOOOKay.

HopPing Mad was charged with thinking we were going to run round Subiaco markets. Which aside from the fact we were in Wembley would have been a miracle because Subi markets don't exist anymore.

Accolades

Shadow got an accolade for showing up in her brand-new car, mirroring D Liva Rants at last week's run. The big difference being that Shadow parked it like a pro.

ZERO HEROES

We had it all tonight with 3 bookends Cowpat 262, Tightarse 535 and Hogshit 585.

Tonight's Zero heroes were Mental Disorder 40, Hardcase and Dynamo 50, and Replicar 1240.

Then there was Troppo with a whopping **1400**. Our GM presented him with a personalised mug, a 1400 cloth badge and yes, a lovely cake. He seemed well pleased as were we, a cake always goes down well.

Birthdays

No one owned up to having a birthday.

Jokers

Cookie told a joke about a lady going into a pharmacy and asking for some Arsenic, as her husband had been unfaithful. The pharmacist said he couldn't give her Arsenic without a Prescription; she got her phone out and showed him a picture of her husband with his wife. That's a prescription he said!

Mental Disorder told one about a sailor who was getting vey horny after been away at sea. Another sailor told him to check out the barrel below deck. So of course, he did, found the glory hole and he went off. He mentioned it to his Captain, said what a relief it was. The captain answered you can't use it on Sundays. Why not asked the sailor? The captain answered, because on Sundays you're in the barrel.

Dare I say then there was Troppo. He read one about a couple in bed, when the hubby hears a knock on the door at 3am. He finds a guy on the step asking for a push. He said no way at this time of night and heads back to bed. The wife reminded him that when they needed help someone helped them, so off he trundled back to the door. Are you still there he shouted, yes said the guy I'm here on the swing! Practise makes perfect or so they say.

Dummy Shorts

Nominees were Shifty, HopPingMad and Yo Adrian. It was a close call. Lots of screaming in the circle and hopping about by HopPingMad. She was not happy when she was once again wearing the dummy shorts.

Under other Business

Crankers High Voltage ride this Sunday was mentioned, an info email had been sent out earlier in the day to all.
