**RUN:** 1661

**Date:** 02 June 2023

**Hare:** Horny Flasher

**Venue:** Cannington

A large mob of 37 hashers set off from Horny's place on Friday night. Horny warned us about the copious hills, some might even say mountains, but they were no match for us hashers as we went in search of the drink stop. And a very good drink stop it was with port and lemonade and lots of lollies, just as we like it.

### Runners Report

**Replicar** said it was a long run and as flat as a pancake, he said it was a good run and scored it a 9. He asked about the food and was told minestrone or pumpkin soup, that put a smile on his dial.

### Walkers Report

**Cookie** was called in to report for the walkers. She declared it a perfect run, well-marked easy to follow. Great drink stop so a resounding 10.5!

### Visitors and LTNS

Radar, Mel Adjusted, Big Bang, Horny Flasher, Rockbottom, Soixante Muff, Wenchy and Troppo were all LTNS- no visitors tonight.

### Charges

**RA** had several charges. **Hop Ping Mad** copped the first charge. Charged with talking to China on the run and giving away our state secrets, she denied nothing and did indeed look very guilty.

**Jade** was called in for a down down after Beau who had already exited the venue told her, her mother was Horny. GPS was called in as a proxy for Beau, they both enjoyed the down down.

**D Liva Rants** was called in to report on her walk to hash tonight. D Liva Rants did make a claim to fame for getting noted in the rag twice, once for illegal parking in her new car and of course again for getting her car written off. Considering she only drove the car for about 1 week that's quite an achievement.

**GPS** charged with wearing a brain warmer, but it hadn't worked he was still having trouble with it ticking over.

**Sluggo** was charged with trying to organise a hit job on Troppo's phone, she was hoping to avoid any jokes, sadly it didn't come off.

**Hardcase** the GM of Hamersley Hash, I can hear you all now with a booming rendition of you know what song. Was charged with talking about wanting to use his phone to set a run. OK.

**GPS** who apparently had a colonoscopy this week was happy to tell us they did the endoscopy first, so all was well. He was most excited to tell us he is having another this week.

### **Charges from the Floor**

**Mel Adjusted** charged Menstrual with calling Mental Disorder some expletive, just not sure what.

**Cookie** was charged with calling Sir Fumbles Mal and even forgetting his title.

### **Accolades**

**D Liva Rants** called in **Megawatt** and **Sybil** for their help last week when D Liva Rants was trying to keep it all together, she said she couldn't have done it without their help. I was called in as Proxy for **Shifty** as we share the same dulcet tones. **Shifty** very kindly lent D Liva Rants her car whilst she is away.

### **Zero Heroes**

Rockbottom with a book end. Light my Fire got a second call for her 230 run which happened 2 weeks ago. Oh well ya get that.

**Megawatt** had his 500 run this week and was presented with a personalised Mug and a lovely cake.

### **Birthdays**

None

### **Jokers**

Mental Disorder told one about getting his prostate checked. The Doc was heard to say "Don't get excited Brendon" Mental said I'm not called Brendon, the Doc said no but I am.

Mental then told one about Animule who got together with a sexy 22-year-old young chick who wanted sex six times a day. Animule was apparently wondering around lamenting the fact he had forgotten where he lived.

Cookie told one about a wife getting bitten by a snake over on Thatsaverybiglong Street, when giving instructions to the ambulance he was getting bamboozled by the long address, so decided he would just drag his wife over to Oak St.

Troppo told a joke about a firefighter and a little girl.

Rockbottom told one about a wife dying in Jerusalem, and the husband not wanting to bury her there in case she rose from dead in 3 days.

Gadget told one about a cpl celebrating their 20-year anniversary. The wife owning up to being a Hooker a who was Called Brien and was a Rugby player 20 odd years ago.
