

32 happy hashers turned out for Hogshit and High Beams birthday run. The weather turned out to be perfect much to everyone's surprise. We should have known our stand in RA would do a great job and negotiate a lovely evening for us. We had a great run, great drink stop, and fantastic supper. It was a joint affair with Slugger making the cake. Replicar got out of his sick bed to bring his money for the lotto syndicate, once paid he left as quickly as he came.

### **Runners Report**

**Phantom** kept it short and sweet by simply giving the run a score of 9.5.

### **Walkers Report**

**Lofty** was more forth coming, he said it was well marked. He loved the lanes and alleyways and said it was brilliant. Yo Adrian couldn't resist in putting her 2 bobs worth in and commented the drink stop was a perfect oasis set in the laneway serving mulled wine. A score of 9.5 was given.

### **Visitors and LTNS**

Crusher and Shifty were LTNS.

We had Bumbo as our visitor.

### **Charges**

Tonight our RA was apparently playing Doctors and Nurses and claimed to be using his bed side manner to assist Robyn in her hour of need. Thankfully our esteemed Megawatt can always be relied upon to come to our assistance in the circle as stated previously he did an outstanding job with the weather.

Sybil hopped her way into the circle as proxy for HopPingMad who apparently had already left due to having gone hopping mad at the drink stop and over indulged.

Dynamo was charged with having to take two steps before the dummy shorts moved, she was also charged with having no faith in the RA as she took an umbrella on the run. Lofty being the gentleman that he is jumped into the circle to admit he also took a broly on the run. He claimed it was for Sherbie the dog, but we knew better.

Sardar called in for disappearing into Macca's to pick up his order. The fact he didn't share was what upset the runners. It was at this point the GM showed his true colours when he said, "we shouldn't be singing he's got little tits". The thing is we didn't sign little tits. Why would we when we all know it's a little dick Sardar has.

### **Charges from the Floor**

Mel Adjusted charged Mental with calling Menstrual by her Alias.

Tightarse charged Mental with having tickets prebooked for a quick getaway after the lotto results come in.

Mental Charged Light my Fire, Lofty and Phantom for requesting the cheques in their own name. However Phantom managed to have her charge reversed.

Mountainhawk charged Hogshit for losing his drink.

Yo Adrian charged Tightarse with using an ugly drinking cup when he has one of the super-duper highly sought after FH3 mugs.

## **Accolades**

Megawatt once again for performing his RA duties. Hogshit for filling in for Hash Splash.

## **Zero Heroes**

Gadget 90, Lofty 170, Mel Adjusted 480, and Tightarse 540. We also had 2 little devils tonight with Soixante Muff and High Beam both having 666 runs.

## **Birthdays**

High Beam, Phantom and Hogshit.

## **Jokers**

**Lofty** told a joke about a bloke going into a bar carrying a little bag. After much coaching from the barman, he eventually opened the bag to show a tiny Aladdin's lamp. His wish was misinterpreted and instead of what he wished for he got 1 million ducks. It went something like that.

**Mental Disorder** told one about 2 gay guys. One guy said he couldn't have sex it as it was that time of the month. The other guy said oh Diarrhoea again!

**Mental Disorder** was on a roll tonight his next joke was a guy telling another gay guy he had given up smoking now and just sucked life savers. The other guy said oh you live near the beach!

**Tropo** told one about a weasel going pop. It went down with a bang.

**Tightarse** told a joke about some thieves who had stolen some Viagra, the police said they were hardened criminals and would be given a stiff sentence.

## **Dummy Shorts.**

**Lofty** nominated for taking a brolly for his dog.

**Hogshit** for madly looking for his drink on the table before his brain kicked in and he remembered he had left it on the car roof.

**Sybil** nominated for seeing a no through Rd sign and saying, "we can't go through".

**Lofty** won the shorts by a mile, he had 2 helpers to get the shorts on so hopefully he was able to get them off when he got home.
