RUN: 1664

Date: 23 June 2023

Hare: Sardar

Venue: Chins Noodle House Leeming

Run 6.7ks

36 Hashers turned out for the restaurant run set by Sardar. Another great night with a very quick circle as all everyone wanted was food and the food didn't disappoint.

Runners Report

Phantom was once again called out to critique the run. She loved the big fat farrows, the wet clean shiggy and she also said she loved a bit of mud! Secret Mud Wrestler perhaps? Great score of 9.5.

Walkers Report

Cookie called in to critique for the walkers, she said it was very good just the right length! Not quite sure what she was referring to, but several hashers glanced over at Fumbles. Another score 9.5 was given.

Visitors and LTNS

Buttered Buns, Beau and White Pointer were all LTNS. Tara came along again as a visitor.

Charges

Sardar was charged with having a lot of excuses, not sure what for but the RA took the credit.

Beau was charged with being horny as indeed he was, and the horn could certainly be heard. Beau said he loved the cold wet night as he is in training for Scotland.

Buttered Buns served as a proxy for the GM, who was charged with punctuality issues as he skipped into the circle a wee bit late.

Mental was charged with winning enough from Lotto to feed Chico for 2 weeks.

Charges from the Floor

Radar charged Hogshit with stripping off and having his arms around someone who shall remain nameless.

Accolades

Tara got an accolade from Yo Adrian who explained the farrows etc to Tara. Tara could be heard loud and proud calling the on on's.

Zero Heroes

Amazingly no Zero Heroes or if there were I missed them, which is unheard of.

Birthdays

None

Jokers

Lots of jokers around the circle but tonight no one told any jokes as the food was calling.

Dummy Shorts.

Lofty happily kept the dummy shorts despite you know who desperately wanting them.

Under other Business

Food was everyone's business tonight.
