

Run 6.2ks

The Run: Most of us enjoyed the run.

GPS was the first to nearly trip over a barrier in the parking bay.

Phantom did a much better number with the front runners not realising it had happened, she has the bruises to prove it.

Walker's trail was $\frac{3}{4}$ of main trail & we even passed in opposite direction on the last leg.

Toilets & shelter were very welcome.

Stand ins (or sit ins in Cookies case) first accolade for night for stepping up.
