

34 Mad Hashers set off on a devilish run (run 1666) from Shadows place all hoping to stay dry. That didn't come to pass, and we were 34 slightly soggy hashers as we trudged on home to find the drink stop of Port and lemonade and some favourites thrown in for good measure. Sardar set the run and as usual did a great job. Some might say this was 007 bonding run as it was 07.07. Thanks, Hogshit for that little gem.

Cookie did the cooking and made an amazing Lasagna. All in all, a great run

Runners Report

Megawatt was apparently the leader of the pack tonight. He said it was OK and that there were no walkers on the run.

Walkers Report

Sybil, Mega's partner in crime walked the run today as she didn't fancy getting wet. Sybil mentioned the GM was watching her, but she didn't say what he was watching! She said it was a short walk and that she got lost. No scores tonight, due I think to everyone feeling wet and soggy and wanting to get the show on the road.

Visitors and LTNS

Sprinkler and Morphine were LTNS

Charges

RA charged Shadow with not putting enough in the collection plate and hence no dry run. Lucky for us the Splash didn't run dry or we might have had a riot on our hands.

RA charged Shadow for been on time tonight. What a feat!

RA again charged Shadow with handing out free toothpaste instead of condoms.

GM called Soixante Muff into the circle for doing strange things with Toothpaste, Ballwrinkle was also called in as he was guilty of the same. Both shall be now known as toothpasters.

Fumbles was charged with telling Buttered Buns that his was bigger than hers?

Phantom and Sprinkler were charged with being Twisted Sisters as both had hash injuries, I think Phantom out shone Sprinkler as Phantom was still sporting a shiner.

Bellboy was charged with not giving the RA a kiss and a pat on the bum.

Charges from the Floor

Mental Disorder charged Shadow for telling him not to go into her bedroom as he would upset her pussy.

Mental charged Phantom for being a public nuisance when she fell and almost caused troppo to fall over her and injure himself.

Mental also charged Shadow with having a big pussy, which she didn't deny and proves that Mental did in fact go into Shadows bedroom. Whether he upset her pussy or pleased it remains a mystery.

Megawatt charged Wenchy for having odd legs thank goodness he didn't mention her pussy.

Megawatt also charged Sprinkler for having four-wheel drive shoes.

Slugger charged Mental for mistaking her for Shadow.

Sybli charged the RA for getting lost in the woods.

GM charged the RA for failing to stop the rain in the circle.
