

It was a lovely evening the RA had obviously impressed his maker as there was not a rain drop to be felt. A perfect evening for a run round the burbs. It was a great run. Followed by a fabulous meal thanks to Sprinkler.

### **Runners Report**

Clockwork Orange called in to report for the runners, she said it was a soft night with 2 or 3 false trails a good run and gave a score of 8.5.

### **Walkers Report**

Skully reported for the walkers, it was a virgin report and a good one. Her ankles didn't like it and her calf muscles would have told it to get F----d. She scored the run a 9. She stood up to her name and knocked back the DD like pro.

### **Visitors and LTNS**

4 Visitors tonight with Dog Whisperer and Rebecca from the Philippine's via Hills Hash. Fancy Feet and Molly Dooker who lived just a few minutes away from the venue.

LTNS were HopPing Mad and Skully.

### **Charges**

RA had several charges the first hasher called in was Morphine who channelled Crusher from last week. He went into great detail when giving his run instructions so much so we were all confused all over again. Morphine tried to blame Sprinkler for making him look like a fool. The truth is she didn't have to I think it's fair to say he did it all by himself.

Roxy called in for her very close time, not quite sure what that meant.

Replicar called in for telling the RA it was going to rain. Which of course it didn't!

The RA took Dynamo's glasses and gave them to Replicar. Reason been that Replicar was apparently sewing some hash gear whilst sitting next to his wife. He sewed up the wrong hole according to the RA.

Sheep Shunter was charged with telling fellow Hills hasher Dog Whisperer to come tonight as there would be several cute dogs at the hash.

Lofty was charged with ogling the Barbie movie showing at the Kingsley Drive in.

Clockwork Orange charged for not bringing any photo memory fluid.

Troppo for asking indecent questions.

### **Charges from the Floor**

Mel Adjusted charged Mental Disorder, Menstrual Disorder, Sprinkler, Morphine and Molly Dooker For not remembering names.

Radar charged Morphine for doing funky farrows.

Molly Dooker charged Fancy Feet with having a hooter and not hooting.

GPS charged Clockwork Orange with going to the drinks Eskie and then getting her card out to pay.

### **Accolades**

None mentioned.

### **Zero Heroes**

Ballwrinkle at 240 and Replicar at 1250.

### **Birthdays**

Not this week

### **Jokers**

Mental told 3 knock knock jokes. Troppo told one about a prawn. Radar told one about a librarian and a chicken. Mel Adjusted told one about Barbie Ken and GI Joe. Very tame jokes tonight - the censor must have been out and about.

The funniest joke was Hop Ping Mad wetting her pants.

### **Dummy Shorts**

Morphine, White Pointer, and a dog were all nominations, the dog nominated herself. White Pointer was nominated for getting on the train last week with his RA gear on. Morphine for been Morphine.

White Pointer out shone the rest and duly left wearing the shorts.

### **Under other Business**

GM reminded us about the email he sent regarding hash gear and asked that everyone interested send him their thoughts.
