

**RUN: 1671**

**Date: 11 Aug 2023**

**Hare: Troppo**

**Venue: Carine Open Space**

31 Hashers turned out for Troppo's run. Carine Open space was busy, however we all found each other, and the night began. Troppo gave a few instructions, and off we set. It was a great evening and although our RA wasn't about, he must have put a good word in for us as it was a lovely evening, until about 8:30 and then it was damp and very cold. Hot soup helped to thaw us all out.

Great Circle with some very **colourful** hash songs from our visitor Blow Canada.

### **Runners Report**

Sardar reported for the runners, even though he walked or so he said. Morphine came in to assist as he did run. Morphine said it was "really well done" with a large hill, farrows not under lights and he loved the walkways.

### **Walkers Report**

D Liva Rants said it was a lovely walk even though she came in with the last few stragglers, obviously everyone else took a short-cut. That's the only explanation!

### **Visitors and LTNS**

LTNS were Sardar, Franga who said he missed Dead Squid. Mental and Menstrual disorder and D Liva Rants.

Tonight's visitors were Laura Crotch and Blow Canada who were here from Okinawa.

### **Charges**

Mental Disorder was our stand in RA for the night.

Clockwork Orange charged for working her arse off, Tightarse stepped in and said he was the arse checker.

Radar charged with rolling her ankle at Interhash and consequently skiving her duties.

Sardar also charged with having a knee injury.

D Liva Rants charged for being a bad tourist and having to cough up \$300 to leave.

Slugger charged with having new dog, Zeppy who kept growling at Chico.

Mel Adjusted charged for ball breaking. Not sure who's.

Mouth Organ charged for wetting Morphine's willy.

### **Charges from the Floor**

Replicar charged Mountainhawk for asking if he had a small one. A claim which he categorically denied.

Mountainhawk charged Sprinkler for not knitting Morphine a willy warmer, as he was seen trying to warm his willy over the hot soup.

Tightarse charged Replicar for piking out of RA duties.

Hogshit charged himself and burst into singing Zippadeedoo dah in honour of his new addition to the family namely Zeppelin AKA Zeppy.
