Run 7.6 Km.

RUN: 1672

Date: 18 Aug 2023

Hare: Sir Fumbles

Venue: Harmony Fields Maddington

28 turned out for a great run at Harmony Park in Maddington. It took ages to get there for many of us. Traffic was abysmal. But after driving for about 75 mins, we arrived! Lovely evening for a run.

Turned into a great night with great food by Cookie including a lovely cake as it was Sir Fumbles birthday.

Runners Report

Hogshit reported for the runners, he also had the horn. He said it was a long run wet and dry with lots of checks (no Poles or Scandinavian's) and he loved the shiggy. Scored it 9.75.

Walkers Report

Light my Fire reported for the walkers. Good walk, well-marked with an excellent drink stop. Scored it 9.9.

Visitors and LTNS

A few LTNS with Wisecrack and Spackle being very LTNS and Zip it and Wenchy LTNS.

Charges

The RA charged Fumbles with claiming the good weather, when in fact the RA was responsible for the weather.

Radar charged with offering Fumbles favours in order to find out where the drink stop was.

GPS charged with falling down on the job.

Franger charged with not watching the poofters.

Slugger charged with gas emissions, which she tried to blame on the dog.

Clockwork Orange charged with late arrival and telling the uber driver to knock down the first 3 runners.

Charges from the Floor

Mel Adjusted charged Clockwork Orange for not running as she was saving her energy for running on Saturday.

Rockbottom charged Sardar for going to a Interhash and he doesn't know where it is.

Replicar charged Fumbles for marking black farrows in the mud. Fumbles claimed he was economising as the cost of chalk has doubled like everything else.

Troppo demanded a reversal of the charge on Fumbles as he said it was Replicar's eyes that were the problem.

The GM charged Troppo for spreading rumours about Gadget wearing a wig. Wenchy demanded to know how many hairs Gadget had had cut. It was very evident to all that Wenchy and Gadget share the same hairdresser.

Accolades

Sir Fumbles for the parking and all vehicles remaining undamaged.

Franger for paying up his overdues.

Phantom received an accolade for not falling over anything.

Zero Heroes

Spackle 240, Wisecrack 290, Shifty 330, Replicar 1260 and Phantom 1420.

Rockbottom and Hogshit shared the limelight with 600 runs and were presented with a great cake, mugs for mugs and badges.

Birthdays

Slugger and Sir Fumbles

Jokers

Gadget told a joke about a sports commentator and Troppo told us a Thirsty camel joke and a joke about an Alabama priest.

Dummy Shorts.

There were a few nominations. Radar, Troppo, Hogshit and Zeppy the dog and of course GPS.

The dummy who forgot them last week namely Hogshit didn't want to give them up, the circle decided he shouldn't so off he went home wearing the Dummy shorts, much to GPS's disappointment.
