RUN: 1673

Date: 25 Aug 2023

Hare: White Pointer

Venue: Subiaco

29 Hashers turned up for White Pointers run at Subiaco. It was a lovely evening for a run or walk.

Some random local did shout from her doorway at us asking why we had to make so much noise, as she had to live there. Oh well guess she was having a bad night. I didn't think we were that noisy, but she obviously did. Anyway, we hashers all had a great night. Great drink stop and lasagne for supper.

Runners Report

Clockwork Orange said it was a good run with lots of deviations, she said the run ended about 2 kms after the on home. She scored the run 8.7 which some thought was a bit harsh.

Walkers Report

Mountainhawk said it was a lovely walk, she liked the church and the scenery and loved the length of the run. Loved the drink stop even more. Scored it a 9.75.

Visitors and LTNS

We had two visitors tonight Diane and Andrea brought along by Sheep Shunter who is Diane's Uncle.

LTNS tonight were Shadow and Bellboy.

Charges

RA charged Clockwork Orange for needing an interpreter. The RA had had a busy couple of days and claimed to be all charged out, so it was then charges from the floor.

Charges from the Floor

Mountainhawk charged Clockwork Orange for not being an Irish Dancer. Namely because Irish dancers keep their hands by their side. Clockwork Orange talks with her hands and is unable to keep them by her side.

Replicar charged Mel Adjusted for giving him the chalk to mark off the trails, claiming he didn't give him enough. However, he was seen to be still clutching about 2 cms of chalk so the charge was reversed.

Tightarse charged Menstrual for picking the prime spot for her chair, placing Chico on it, and then proceeding to feed him by hand.

Replicar charged Mel Adjusted and White Pointer for something, I am not sure what.

Tightarse then told the circle that Bellboy rang on the run. Yep, it caused a mild cackle from the crown.

Accolades

RA gave Mel Adjusted an accolade for chatting up a female and trying to encourage her to join us at hash.

RA gave Franger an accolade for staying and running and keeping out of trouble.

Zero Heroes

Sheep Shunter 260 and Sir Fumbles 870.

Our GM Insp Gadget at 100 runs, he got his mug and badges, he even brought a mug himself in case I forgot, as if I would!

Birthdays

None other than mine.

Jokers

We had 3 jokers tonight, namely Cookie, D Liva Rants and Troppo.

Cookie told one about an old wealthy guy on his death bed telling his son to go find a wife. Turns out he found one and she married his Dad.

D Liva Rants told one about a guy with dry lips, he was seen licking a horse's arse. When questioned he said it stopped him licking his dry lips.

Troppo told a joke about a hairdresser who was never late because she knew all the short cuts.
Boom Boom!

Troppo also told one about a guy watching Porn and eating Cheezels and wondering why you know what turned orange.

Dummy Shorts.

Hogshit still has the shorts, it's amazing the lengths some people will go to keep them.
