

33 Hashers set off on Friday to run around the streets of Currambine. After a quick circle it was onto the restaurant and food. It was a great night even if I say so myself!

### **Runners Report**

Tightarse called in to report for the runners. He said he was following The GM and D Liva Rants, Tightarse overtook them and came in before the runners. Someone should tell him that the GM and D Liva Rants are walkers so we should take this report with a pinch of salt or fish sauce as we were heading to the Thai restaurant.

### **Walkers Report**

Horny Flasher came in to report for the walkers, she said it was great and said she followed the runners who weren't running. It all sounded a bit crazy to me.

### **Visitors and LTNS**

Horny and Pickled Piker were our LTNS.

Tonight's visitor was Roller a friend of Tightarse and Mountainhawk.

### **Charges**

Mental was tonight's RA and he served up some great weather.

Sybil was called in, the RA said she was a serious hasher he had noticed her limbering up before the run and noted she was very flexible. Megawatt confirmed this.

Sheep Shunter was given a Hash Hero charge for overseeing bringing our drink holders back from O/S. Sheep Shunter had told the RA that he would unpack the goods and go through everything with a fine-tooth comb before sealing it all up again and bringing it through customs. Sheep Shunter is a lot wiser than we have given him credit for.

Sprinkler our weather girl was freezing tonight and declined to take any item of clothing off.

Cookie was charged with trying to corrupt some young guys as well as stirring the pot.

### **Charges from the Floor**

None as everyone was eager to get to the food.

### **Accolades**

Mental for performing the RA duties.

Also, a late accolade for Pickled Piker, who went home to get a petrol can for a couple of young guys in dire need.

### **Zero Heroes**

Dynamo and Hardcase on 70.

### **Birthdays**

None owned up to having one this week.

### **Jokers**

Cookie told a joke about a wife on honeymoon, she came out in a lovely robe as new hubby wanted to take a pic. The wife also wanted to take a pic of her new hubby; she told him don't bother with a robe. Whys that he said? She replied "so I can enlarge it".

Mental told one about wife's closing their eyes when doing the deed. I didn't hear the reason why.

### **Dummy Shorts.**

Sir Fumbles was re-nominated, Mel Adjusted was also nominated due to him being an accomplice to them both driving with the boot open.

### **Under other Business**

No bodies business held over till next week.
