RUN: 1678

Date: 29 Sept 2023

Hare: Bell Boy

Venue: Wilson

Run 5.6kms

35 Hashers turned out for Bell Boys Run around Wilson. Another great night always good when there is a drink stop to buck up our spirits. The weather was great as was the sausage sizzle cooked on the park barbie due to issues with the Hash barbie. Ken was nowhere to be seen and I didn't see any pink anywhere.

Runners Report

Sardar critiqued for the runners; he said it was a fabulous run. The river on one side and people on the other, 3 false trails one short one long and the other somewhere in between. He gave a score of 9.75.

Walkers Report

Radar critiqued for the walkers from her perspective she said there were few farrows, but she obviously enjoyed it as she scored it 9.9.

Visitors and LTNS

Zip It was our LTNS.

We had 3 visitor's tonight with Tagg, Rebecca and Dog Whisperer.

Charges

Mental was our stand in RA tonight. He gloated on the great weather he has provided over the last couple of weeks. He mentioned that the GM had slipped him a few dollars to encourage him to do so.

First charge of the night went to Tagg for having an egg cup sized wine goblet, in hindsight maybe he should have got an accolade instead.

Mountainhawk charged with being seemingly inebriated when she got out of the car. As she commented she had a car in her jacket and was swaying about.

Horny was next, she had given her car keys to Mental for safe keeping as had apparently several other hashers.

When she returned from the run and asked for her keys Mental held out the keys and asked her which ones she wanted "yours" was her reply. Our RA was secretly very chuffed about that.

GPS was charged with bringing a new girlfriend to hash, but doing a double take The RA realised it was indeed Zip It with a new hairstyle.

Charges from the Floor

Troppo charged Mountainhawk with obstruction, due to not standing aside to let a cyclist through and instead flapping her arms about not knowing which direction to go.

Tightarse charged Bell Boy with being Saved by the Bell!

Mental charged Rebecca with getting a new job at the airport and letting her know she needs to be very nice to Menstrual who she will be working with under or over I didn't quite catch which.

Accolades

None given tonight.

Zero Heroes

We had only bookends tonight with Mel Adjusted at 494 and Mountainhawk at 575.

Birthdays

Nil tonight

Jokers

And then it was joke time! And Troppo stepped up to the plate, telling us something about a pregnant woman been told to do lots of walking to strengthen her pelvic muscles. After that I lost it due to the roar of laughter that rang out from the circle. I couldn't hear a thing!

Mental came next, He gave some sage advice, he said the best way to stop your house from been burgled is to put a Job Centre sign on the front door.

Mel Adjusted told us about the email Dead Squid had sent asking us all to sing the Collingwood song led by Sybil. That gave us all a laugh none more so than Sybil.

GPS told one about a golfer taking a spare set of socks to golf in case he got a hole in one.

Tightarse told us a joke about seeing an ad that Coles were giving away free deodorant. He searched high and low and eventually asked an assistant where it was, she responded with "Mums the word".

Dummy Shorts.

Hogshit, Menstrual and Troppo were all nominated.

Hogshit was off the hook as he was dog sitting Zeppy.

Menstrual nominated because Chico attacked Zeppy.

Troppo got them due to the hose not fitting.

Under other Business

Mandurah HHH 2000th Run Feb 10th and 11th in Pinjarra. Mental came in to tell us about the Accommodation. Each club will be housed together. I have attached the flyer so check it out. Great band so there will be dancing.

Albany 1000th run coming up 4th/5th May theme is Starwars.

Radar discussed Dave the Pom who is abseiling to raise funds for Guide & Assistance Dogs. I have attached the flyer.

A reminder to hashers to please refrain from crushing the empty cans at Hash.
