Run: 1681

Date: 20th October 23

Hare: SARDAR

VENUE: PINEY LAKES WINTHROP

THE CIRCLE:

Let the facts be known 29 mighty fit hashers A venue like this for a Friday hash run comes rare ..some said few and far between ...others on a factual honest discourse - one of its kind ! Manicured & spacious parks, cleared clean and wide pathways with no cracks or humps stood out as just laid, the tree reserve path was reminiscent of the therapeutic John Forrest National Reserve, the south of the river air known for the high oxygen levels stood proud at this pinnacle point with record level benchmarks, the prestigious and all inviting architecture of the neighborhood was more than hugs lovers could offer one another , the farrows all perfect in size and all of them were dimensioned to within a millimeter of one another, the darkest of sections were lit by the luminescent yet disappearing in four hours flour, every passer buy greeted the great looking runners and walkers with a twinkle in the eye of a fourteen year old when they set their eyes on their first love , above all they were also calling SARDAR SARDAR and the list goes on ! . All runners and walkers were exuberant after the run and fully charged for going

another round or for that matter a long loving work out through the night! Well Done.... Well Done
....Well Done....WOW was the buzz and the rest is history.

The credit for this magical experience goes to the thorough bred hasher SARDAR. And he did the Down
Down in style as everyone missed it !! Whilst the rest downed the PIZZA's in style !!

THE RUN: Say no more -averaged to 10.0 when runners and walkers score was added , divided by 2
and then rounded up to the nearest 10

Visitors: 30 % of the population of Winthrop and Bateman with their dogs , 10 % school leavers and
another hasher that started his journey in Brunei -Another Prick in the Wall

LTNS: There were none that the Hare hadn't seen for a while but the acting GM felt otherwise
.....Standing out was NEXT WEEK !! She will be back in three years time

CHARGES:

All well behaved and accolades were initiated but it soon turned ugly with
If we had known that our long haired but short step GM and striking blonde On Sec were not coming we
would not have showed up -- Did not stick with GM .

Prick in the wall -for only coming for his wife, girlfriend and the SEXY white pointer !

Troppo for doubting Deliverances capability in setting a Hash Run!

Lofty – for keeping up with White Pointer for going to the barber and having a shower after 20 years!

Mental - putting the FH3 under the radar of the immigrations after 5 hours of examination

GPS – for being the lolly pop man at the walkers / runners junction.

Hogshit – feeding the dog energizers and beans to continue barking and pooing endlessly.

SCB's – the GM fancied them for the night for some strange, unusual reason

Sardar for not responding to Pickle Piper for marriage

Lofty - Accolade for falsifying the testimony to the immigration on Menstrual Disorder

MAJOR MILESTONE

RADAR FOR 500 RUNS – There was confusion between little tits and get a life

ZERO MILESTONES – Animule 780, white pointer 460 ,Troppo 1420, Mega -bookends 515

GENERAL BUSINESS:

The GM and ON SEC will remain away for a bit so while the cats are away its time to play

AGM 1st December – Theme Black & White

Rocky City Big Event – See Flyer attached

DUMMY SHORTS:

Shifty – finishing a whole can of insect repellent but still having bugs love her ears

Hogshit – failing drastically – missed all the photos – blaming lack of training

Replicar – forgetting his nuts except two off

HOGSHIT crowned – by a long shot !!

JOKERS:

Toppo tried - Everyone was adamant -he should go to play school for accolades
Then mental tried to help Troppo look good – that gave us 2 for playschool reps!

OTHER HASH EVENTS: For those inattentive “chatterers” in the circle read the attachments to find out

SONG: Yours Truly NEXT WEEK was tested and passed with flying colours after only mentioning the alphabet “ F”
