Run 7.6kms

32 mad Hashers turned out for a Friday night run through the beautiful streets of Applecross. It's fair to say it was a long run some might say a very long run. With a few farrows washed away by sprinklers, well that was the word on the street. It was a great run with one massive mountain to climb, I heard some talk of grappling irons but didn't see any. The weather was lovely not sure whether that was due to the RA who was gone walk about again or the stand in RA but whoever it was did a great job. We were all happy to reach the drink stop and admire the view.

Runners Report

Phantom called in for the runners, she said she was quite surprised by her smart watch who told her she had done 5.2ks. She thought she had done more, maybe she inadvertently took a short cut. The map man had the run as 7.6. Anyway, she said it was a great drink stop and scored it 9.5.

Walkers Report

Mountainhawk reported she got confused but said it was a lovely drink stop. After much thought she scored it 9.75.

Visitors and LTNS

Big Bang, Miz Nomer, Soixante Muff and Skully were tonight's LTNS. Oh Yeah and me myself and I.

Another Prick in the Wall was tonight's visitor.

Charges

Mental Disorder stood in as tonight's RA and didn't waste any time in belting out the charges to the tune of Another brick in the wall.

Mental charged Sardar with getting his numbers wrong, Apparently Mental has 61 runs and not 40! But who's counting? Mental is.

Sardar was charged again (obviously a grudge over the numbers) for running and asking if it was a false trail. There was some dissension, with Sardar pulling Menstrual into the circle to give her version. I think there was a dummy spit, and the charge was reversed.

Hardcase was charged with not being recognised by Tagg, due to the fact he wasn't wearing his Hammersley Jacket. Strangely we didn't sing the Hammersley song. Missed opportunity there!

Slugger charged with been dry and dehydrated and lamenting on how thirsty she was.

Charges from the Floor

Sybil charged Bumbo for not knowing the term RU, Bumbo claimed the Harriette's don't use the term. However, another Harriette Zip It dobbed her in it and said they did.

Tightarse charged Troppo with claiming "something didn't ring a bell" just as Bell boy walked past.

Accolades

I Failed to thank anyone for covering for me, so I will now say a big thank you to Sardar, D Liva Rants and Radar for filling in and doing a fantastic job.

Zero Heroes

Sardar with 650.

Birthdays

None this week

Jokers

Mental told a joke about a penguin blowing the seal. An oldie but a goodie.

Tropo told 3 jokes, one about a young spider getting into trouble for spending too much time on the web.

Another joke about a wife leaving her husband due to him being an alcoholic, so there are some advantages to that. Also told one about too many cheetahs in the jungle.

The GM told one about some robbers, everyone laughed so much I missed the joke.

Tightarse also told a joke, but I missed it, I am out of practise.

Dummy Shorts.

Mountainhawk nominated Mental for thinking he was stand in GM.

Sir Fumbles was nominated by Buttered Buns for his intimidating and threatening behaviour when he told her he would put her on ice. She didn't reveal why he said it. That must be another story for another day.

Animule charged with short cutting which seems hard to believe.

Mental won them hands down or shorts up not quite sure which.

Under other Business

Perth Harriette's Salvo's run is coming up 28.11.23 they are wanting numbers so if you intend going let them know.

Mental reminded us that the early bird rego for Mandurah hash ends 31st December. He encouraged club members to attend, they are endeavouring to house each club together.

Reminder for our AGPU on 1st December, we currently have 45 attending. If you wish to attend or if you have said you will but now realise you won't be attending, please email Gadget and Radar. The **cut off is Wednesday 22 November at midday** when the GM must give the caterers the final numbers.
