**Run: 1684**

**Date: 10<sup>th</sup> November 23**

**Hare: WENCHY**

**VENUE: 44 HALVERSON DRIVE**

#### THE CIRCLE:

As always the die hard were there to ensure that the challenge that Wenchy would set would bear fruits ....and indeed it did with both the runners and walkers doing it at their pace however contemplating why the hare did not give us the Deja Woo moments !! . As the story unfolds Wenchy woke up on the wrong side of the bed ,or maybe the right side of the bed, and ventured to mark the Morley neighborhood with white chalk ..and indeed she did it so well that she marked white on white instead of white on the very newly laid black bitumen that stood out like the black OX’s balls...several versions were offered and due to the lack of the high IQ ophthalmologist in the crowd the issue was left unresolved . However, the short version was up and down and reflected in a short song by HOGGY who did not know what the GM had pre-ordained for him because of his lack of a descriptive detail for the masses. The walker’s version by Hopping Mad was translated into Chinese so that the masses again could understand the minute details that were rambled. In a nutshell it sounded like “Tew Nah Sing” with an overall resounding yes

and say no more or lets move on !! If you are confused with any of the above contact SARDAR for the actual version of the run ...ON ON

**THE RUN:** Bitterly short of the ten mark as it only etched to 9.95 ....the .05 was added on after the gourmet food and beers and the majority forgetting what transpired a few minutes ago .....
