

Runners Report

Bell Boy was called for the reporting duty and informed of a good run with not too many hills, plenty false trails so he could keep up, and a nice drink stop. He gave a 9.5

Walkers Report

Yo Adrian said it was a very "hazardous" walk since she was rooted on the trail. She tripped, fell and was bleeding from the leg when she arrived at the venue. So, she had to be treated by our resident head nurse: Slugger.

Despite all that, Yo said it was a great walk, no mozzies, good drink stop and gave it a 10.

Visitors and LTNS

Putrid, a returning visitor, said goodbye until June next year..... He will be back !

Charges

-R/A on BallWrinkle for last week sabotaging the BBQ to scape with Menstrual Disorder and spending long time to get pizzas as an excuse.

-R/A on Gadget and BallWrinkle discussing English spelling for about 2K. Sardar was called in as a referee to decide between "Grey" or "Gray". The later won but, 3 of them took a down down because neither of them could speak Australian.

Charges from the Floor

-Buttered Buns to Sybil for running on the walk.

-HogShit on Troppo for sculling half a bottle of bubbles ad the end of the drink stop. Replicar took the down down because Troppo was on cooking duties.

-Tight Arse charged the R/A for having bright red shoes with the black and white nun's habit.

-Sardar charged Sybil for not seeing runners at the end of the run. Needs to go to Spec Savers.

-Shifty was charged for being so naughty and not having a down down in a long time, but then she asked if the nun's habit was Scottish style. She did the investigation firsthand, got her answer and the down down.

-Sardar charged Yo Adrian for falling over right in front of him. He said he helped her up, and performed the concussion test, he then was offered to look at her tits as a reward !!!!!. The R/A intervened and awarded her with the "Bloody Crash Helmet" which she had to wear for the rest of the night. She then enquired if the blood in the helmet was Menstrual's blood.

-Slugger's dog was to be named tonight. Names nominations from the floor were: Double Trouble and BarkShit but the last-minute entry name of "Shut The Fuck Up" was the one chosen by popular vote. The R/A did the naming ceremony and the name was confirmed for eternity.

Zero Heroes

Mountain Hawk reached 580 and took a down down.
