RUN: 1690

Date: 22-12-2023

Hare: Sybil

Venue: Crawley

39 happy hashers in Christmas gear got together around a pool site in Crawley, many carrying home cooked food to share on the annual FH3 Xmas run.

Runners Report

Cowpat was called to report and started saying that she had so many bubbles at the drink stop that she couldn't remember a thing. One thing was for sure: she didn't get lost unlike some others Spec Saver customers that couldn't find trail 20 meters from a false trail. Good run and 9.5

Walkers Report

Cookie said that apart from the rock climbing of cardiac hill at the beginning, everything else was just a walk in the park. Good and 9.5 also.

Visitors and LTNS

First time visitor Long John and the returning international visitors Doolittle and Talking Pussy had a welcome down down.

Charges

-R/A started with an accolade to Sheep Shunter as he did the new drinks carrier tray for the piss pourer, very flashy!

-Horney Flasher for putting the hands inside Mental's pocket (looking for her car keys) and then asking: "where do you want me?"

-Phantom for being an expert on nun's habits.

-Gadget thought it was a sleepover tonight and came in his P'Js. (Xmas pyjamas though).

The R/A had the idea for a FH3 P'J party but can not happen on the next run. Watch this space.

Charges from the Floor

-Ball Wrinkle charged Yo Adrian for asking for a sexy picture by the river and all she meant was a pic with the Blue Boat House.

-DLR said that due that she is wearing brand new powerful hearing aids, during the walk overheard a conversation between White Pointer and Lofty about "ejaculation" and the new injection that works better than Viagra. Please explain!!

-Tight Arse on R/A and Inspector Gadget that how come Gadget showed up today with the red shoes that the nun had last week. There was a shoe swap! More explanations to do!

-Phantom on Replicar: the nuts are there but the horn is flat and needs tunning

-Sardar on Morphine because he wanted to punch and tackle Santa and record it on video.

Zero Heroes

Dynamo and Hard Case reached 80 runs and Sybil got to 630.

Note: Please sign the red book so we can celebrate your run milestones.
