RUN: 1692

Date: 12 /01 / 2024

Hare: Sheep Shunter

Venue: Eden Hill

The small parking lot at Jubilee Reserve filled up quickly with 37 FH3 hashers who ventured in a warm evening with a risk of a thunderstorm. But, unlike the last time we were here, the show of lightning bolts and thunder with a little bit of rain only happened after the circle. The R/A was off the hook, because we were already enjoying the yummy chicken curry, sticky rice with mango and the many birthday cakes.

Runners Report

Clockwork Orange said she enjoyed the nice route of the run and found a lot of marks. It was a 9.6

Walkers Report

Rock Bottom reported a good walk, good marks, nice drink stop and had else nothing to ask for. She gave 9.6 also.

Visitors and LTNS

Shadow, Rock Bottom, Crusher and Clockwork Orange had their drink as returnees.

Charges

-R/A on Bell Boy for good learner. Last time we were here, he made the alarm of the Pavilion go off because he was trying to get into the toilet. This time, he knew where the toilets are.

-R/A: During a GPS and Buttered Buns chat, a fart sound comes out and they blamed each other. Zipit was called as a third umpire. Using the "snicko" she clarified the facts and the obvious decision of guilty GPS was out.

R/A called Buttered Buns again because she said she preferred men than last more than 10 minutes, and nun Mental asked: Why? Do you want them to do housework also?

Phantom told a poem about a Farter from Sparta and got her down down.

Charges from the Floor

- Phantom was charged for starting to win as soon as she paid for the Lotto syndicate. She found some money in the street.

- Clockwork Orange was charged for lack of hash gear.

- Replicar got awarded the Hash Crash Helmet for the injuries in his arm caused by his rebel nasty cat who made him break the new TV while trying to tame the beast.

- Tagg got asked to show his brand-new Friday Hash gear. He got shorts polo and cap and got named the FH3 Haberdashery model of the year.

Zero Heroes

Animule with 790, Shifty with 340 and Crusher with 540.

Note: Be part of the fun and sign the FH3 Book so we can celebrate your run milestones.
