**RUN:** 1697

**Date:** 16 /02 / 2024

**Hare:** Dynamo

**Venue:** Carine

As we arrived at the run site, Tight Arse first question was if all the mulch around us was verified to be asbestos free. Once that was cleared, the co-hare, Hard Case, gave instructions to 37 runners/walkers under the loud noise hundreds of white cockatoos and rainbow lorikeets. Runners one way, walkers the other but, not long after we were together again going thru small alleys and hidden back ways that Morphine couldn't see since he missed a few. With the lead of Clockwork Orange, we crossed Reid highway back and forth thru a couple of spiral pedestrian bridges. The drink stop was a welcome relieve, although some complained about the cold breeze (?!?!). After that, a sandy path took us on home thru a bit of a dark forest.

## **Runners Report**

Troppo. Good run, about 7K, good use of the Reid highway bridges. Good marks. 9.6

## **Walkers Report**

Never Hard: Nice walk, good signs on the trail, but he prefers to follow the "High Beams". Nice almond chocolates at the drink stop. 9.95 was his mark.

## **Visitors and LTNS**

Moaner Lisa, the better half of Another Prick on the wall, was with us for first time. Returnees Sprinkler, Morphine and Cowpat had their welcome back drink.

## **Charges**

-The GM reported that the reason Inspector Gadget was a no show today was because he was rear ended at a traffic light in the afternoon. DliVaRant was quick accusing Gadget of becoming a Hamersley hasher and that's why he took it up the ass. Replicar was then called to the duty of replicating Gadget for the down down.

-R/A charged Another Prick on the Wall for taking his wife to hash to celebrate his 29<sup>th</sup> wedding anniversary.

-R/A: Tight arse was called in the circle to learn from Another Prick on the Wall what to do with his 50<sup>th</sup> anniversary coming up.

## **Charges from the Floor**

-Phantom charged "Mother Inferior" for forgetting what a "prick" is for.

-DLiVaRant accused Replicar of saying he was "coming on the walk". We don't "come on the walk"!!, we just talk on the walk. Go and do that somewhere else!

-Mental charged Meladjusted for creating havoc at the dormitories at night during the Mandurah 2000 celebrations weekend.

-Tight Arse told the story of him and Bell Boy falling behind on the run and then asking Bell Boy to ring "the bell"; but Bell Boy replied he didn't have a bell. Tight Arse said that was the reason he is nominating Bell Boy for the "NO-BELL" price.... Drinks for all!

-Sprinkler called Morphine for having a fashion statement. A new Pyjama-like set with arrows and check points prints but, not a hash gear.

-Clockwork Orange had an accolade and cheers for having a Hash shirt for first time in FH3!
