RUN: 1702
Hare: High Beam

Date: 22/03 / 2024
Venue: Jolimont

After a spectacular autumn day, 30 hashers gathered in Henderson Park where not much has changed since the last time we were there. The GM had a sicky so, Hogshit took over and, before the hare gave the run instructions, he announced a mystery R/A for tonight. Runners one way, walkers the other but, we were in and out of the same trail a few times until we came together to the bubbly drink stop.

Runners Report

Tight Arse said he walked the run trail and run the walker's trail. All good and he scored a *German's Nine*

Walkers Report

Yo Adrian complained of faint arrows, lack of chalk! but, she was sent to spec savers. She gave a 9.5.

Visitors and LTNS

Hopping Mad, Troppo, Phantom, Yo Adrian, Lofty, Zip it and GPS.

The Interhash returnees were asked to give a report and Lofty gave a report on a bus trip preamble. And Troppo talked about the Interhash runs.

Charges

- The R/A charged Clockwork Orange for being late to the run on the bike, trying to follow the trail and not reaching the drink stop.
- R/A called on all New Zealand born hashers for an accolade for coming from the land of the long white cloud.
- R/A charged Tight Arse for not bringing the Mercedes tonight but the yellow banana.
- Troppo for getting a new set of wheels, borrowed the wrong car, this is black and should have been white one.

Charges from the Floor

- Mountain Hawk charged Inspector Gadget for taking advantage of the poor insurance company and changing his old crappy car for a spanking brand new one.
- Yo Adrian was charged for wearing PJ on the wrong date. Pyjama party is next run.
- Replicar charged Clockwork Orange for being a good girl wearing an orange hash T-shirt
- It was Never Hard last run, and we said *Goodbye* until next year. [Auf Wiedersehen](#)

Zero Heroes

Mountain Hawk reached 590.

Bell Boy achieved his 300 Run. Mug and badge awarded.

Animule commemorated his 800 Runs. Engraved Mug, badge, and Cake for everybody to celebrate.

Tight Arse composed a special song for him tonight. It's sung to the tune of 'Swinging on a Star.'

Animule is an animal as you all can see

His language is colourful and blue.

He cusses and swears but he don't care.

His favourite words begin with C and FU

So, if you do not want to play by the rule

You may grow up like Animule.

Note: Please sign the FH3 Book so we can celebrate your run milestones. Updated runs list as of last week on the back of the red book.

Jokers

-Long Story by Yo Adrian and Lofty in NZ. Lofty didn't arrive from the run because he fell from a cliff and was barely hanging upside down on a 60ft drop from a dead tree that collapsed when he was pulled from his mismatched boots, and there is more... way ahead, Yo Adrian tripped and did a triple summersault, she was bleeding, but it was good because bleeding is a sign of life!

-Gadget: A Minister to a man in the congregation "You will walk".

-Troppo: A guy with empty fuel tank asked help to a bee that came back with the whole swarm.

-Cookie: Irish man in a bar with an empty beer glass was asked if he wanted another one.

Dummy Shorts

Shadow nominated the mystery R/A for looking like Ned Kelly.

Clockwork Orange nominated for missing the run tonight.

At the end, Slugger handed the shorts to Ned Kelly. (Inspector Gadget)

Unveiling of the masked R/A

Guessing competition of who was the masked R/A... Suggestions were : Ball Wrinkle, Shadow, Light my Fire and Arnold Schwarzenegger...

Take it off. Take it off.... Take it off Inspector Gadget was revealed! ... Put it back ! ..Put it back !!

Song

Slugger directed the choir for the FH3 song.
