**RUN:** 1703  
**Hare:** Slugger

**Date:** 05/04 / 2024  
**Venue:** Hamersley

After the Easter break 41 hashers woke up to hash life and still in their pyjamas and no breakfast rushed to find a good parking spot at Slugger's place. The GM is back in charge, called the hare for instructions and the result was that everybody went in the same trail. After plenty checks and FTs, the trail took us to the other side of Erindale road and back to a bubbly drink stop.

### Runners Report

Troppo said he was a back runner today and didn't do any of the "63" false trails that kept the walkers at shouting distance. Excellent 6k run with great drink stop. He gave a 9/10.

## Walkers Report

Shifty couldn't say much about the walk because she didn't stop talking the whole way, just knew it was a good walk with no hills, but she was left on her own after the drink stop. 9.5

## Visitors and LTNS

We got reinforcements this week: Radar, Mel Adjusted, DivaLarant, Wenchy, Pickle Piker, Roxby, Biggus Dickus, Hawk Eye, Mouth Organ, Ball Wrinkle were in the lineup today.
