RUN: 1704

Date: 12/04 / 2024

Hare: Another-Prick-in the-Wall

Venue: Shenton Park

The first heavy downpour of the season came as a surprise to all but couldn't damp the spirits of 45 hashers meeting at Rosalie Park. Great job by the R/A who managed to stop most of the rain coming down south of Osborne Park. Although that didn't prevent the hare having to remark the trail just before we arrived, and the result was an interesting walk-through small alleyways and a great long run that almost got us into the cemetery but took us thru the hospitals instead. The fun night ended with a lot of pizzas.

Runners Report

Cowpat: OK run, Longish, interesting. She asked for help to score: 11/10.

Walkers Report

White Pointer: Excellent walk. Long, a lot of alleys, twists, and turns. Managed to keep Animule on track. Also scored 11/10.

Charges

- The R/A charged Troppo because he created a lot of cheers from all when he finished the run.
- R/A charged D Liva Rants because when she saw the ER started dreaming of George Clooney. Then, Bell Boy was assigned as the Fantasy Boy. She was happy just with the drink.
- The R/A charged High Beam for not recognizing the FH3 hashers when she got to the carpark.

Charges from the Floor

- Megawatt was charged for loosing the Red Book and letting it be run over by a car.
- Lofty had lost property returned to him and visitor Likkmm was given a present from FH3.
- Man down ! Troppo had a fall! He was presented the Crash Helmet, but no hospital was involved despite being so close to one.
- Tight Arse called GPS to the middle, not for an accolade but for being an acronym.
